JOHN BURROUGHS HIGH SCHOOL  
1920 CLARK STREET  
BURBANK, CALIFORNIA

During the Middle Ages, economic and political systems developed into a new type of order called feudalism. This separated people into four main classes: the nobility, the clergy, the merchants, and the serfs. The lives, duties, and rights of each class were distinctively different from the others.

Our school life at John Burroughs also contains a colorful variety of activities and events. In our Akela this year we have compared the feudal classes and customs to the various departments of our school.

We, the Akela Staff, present to you the twelfth volume of our yearbook, with its theme:

## LIFE IN THE MIDDLE AGES

Jeff Taber  
 I've been an  
 experience knowing  
 you (too!). You're a guy  
 whose always got a remark  
 to make. About golf, once I  
 start playing regularly, I will  
 beat the pants off you every  
 time we play together.  
 Seriously, it's been a pleasure  
 knowing you and I hope our friendship  
 will continue indefinitely.  
 Walt

Jeff,  
 We've known  
 each other for so  
 many years that at  
 it would be a waste  
 of time going into detail  
 about our friendship.  
 Best of luck to you in  
 everything (golf!). See you  
 in the fall.  
 Dick E.

Jeff:  
 Having the privilege  
 of being the first to  
 sign your book, I will  
 employ your book, I will  
 are a swell guy with  
 a good golf stroke!  
 However, being a George  
 Washington-type person, I  
 assume that you will not accept  
 this as the complete truth, but  
 one which might be subject to  
 alterations

# LORDS AND LADIES

**T**HE Lords and Ladies in the Medieval Period were the most educated people of their time. They used their knowledge for the training of their serfs in various trades, and helped to direct them toward richer and more successful lives.

Our instructors, the Lords and Ladies of John Burroughs, use their wisdom to guide us toward a far more secure and prosperous future.

# ADMINISTRATION

- To a good golfer -  
(joke)

Good luck in everything  
and don't forget to keep  
your brain exercised over  
summer vacation.

Good luck,  
Bill Slater

## FACULTY

At the faculty lunchroom  
our teachers take time out  
for lunch during their ac-  
tive day

Mrs. Florence Trempe certainly deserves the distinction of being one of Burroughs' Teachers of the Year. Her untiring work in teaching the Student Government class and in organizing the student body leadership render her one of the most valuable teachers in the school. Mrs. Trempe strives constantly to aid the student body officers in their numerous difficulties. The officers are especially grateful for her devoted work on their behalf.

She also demonstrates her expert teaching abilities in her secretarial classes. Future secretaries receive valuable guidance from Mrs. Trempe, and they enjoy her friendly, gracious attitude.

Her pleasant smile and kind words are enjoyed and appreciated by everyone on the campus. Mrs. Trempe has been truly a Teacher of the Year, and the students of John Burroughs say many thanks for her fine work and pleasant personality.

## TEACHERS OF THE YEAR

In recognition of his outstanding and unceasing efforts, Mr. Ralph Brandt has been chosen as Burroughs' Teacher of the Year. Mr. Brandt has been one of the finest and most hard-working teachers that our school has had.

On the football field he has molded the "B's" into some of Burroughs' finest teams. His helpful advice and ideas for better play developed the players into successful, closely-knit squads. The players sincerely appreciate his efforts to shape them into a winning team.

Mr. Brandt also performs an excellent job in teaching some of Burroughs' history classes. He does a fine job in making this subject interesting and enjoyable.

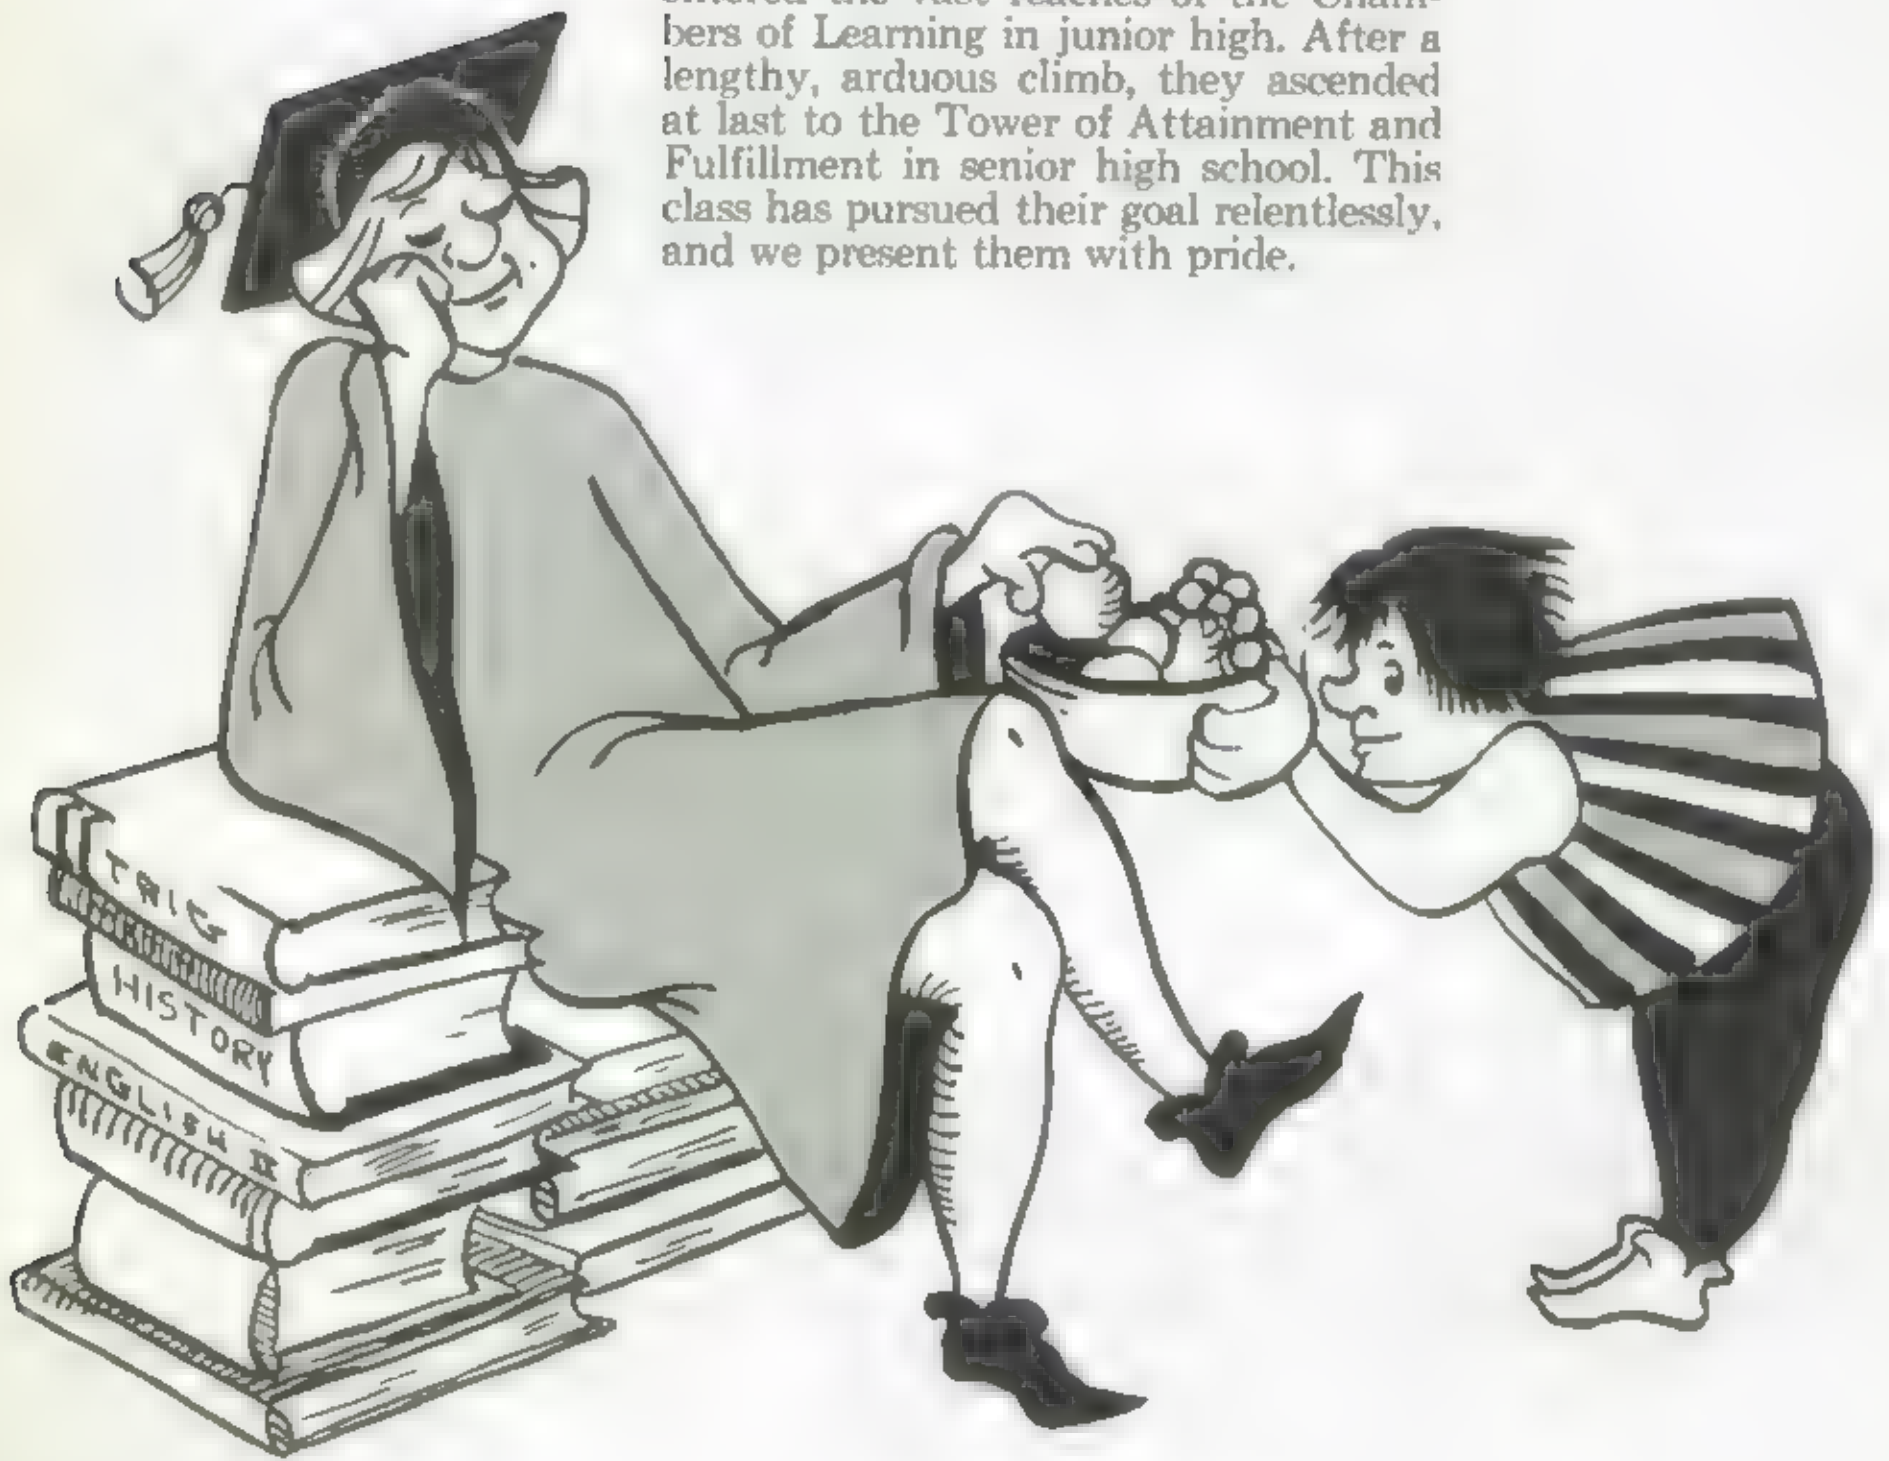

His students, his teams, and the faculty agree that Mr. Brandt is a fine teacher, coach, and friend; he is most certainly a great asset to John Burroughs, and for this reason he has been voted Teacher of the Year.

# NOBLES

**H**ERE we present the Nobles of the academic system of Burroughs High School. This title has been conferred by the Lords and Ladies of John Burroughs for valiant pursuit of the Holy Grail of Knowledge. This title is to be retained by this group until they become the recipients of the Articles of Graduation on June fourteenth, nineteen hundred and sixty.

During childhood they emerged from the Moat of Ignorance and entered elementary school; a few years hence they entered the vast reaches of the Chambers of Learning in junior high. After a lengthy, arduous climb, they ascended at last to the Tower of Attainment and Fulfillment in senior high school. This class has pursued their goal relentlessly, and we present them with pride.

# SENIORS

Leslie Saxe has achieved the highest academic rating in the Preparatory subjects throughout three years at J.B. She has earned the highest number of academic grade points in the first five semesters of senior high school among 235 college preparatory students. Leslie has not only been chosen or selected but has earned her award by working and by achieving the highest grades of her class.

## OUTSTANDING SENIORS

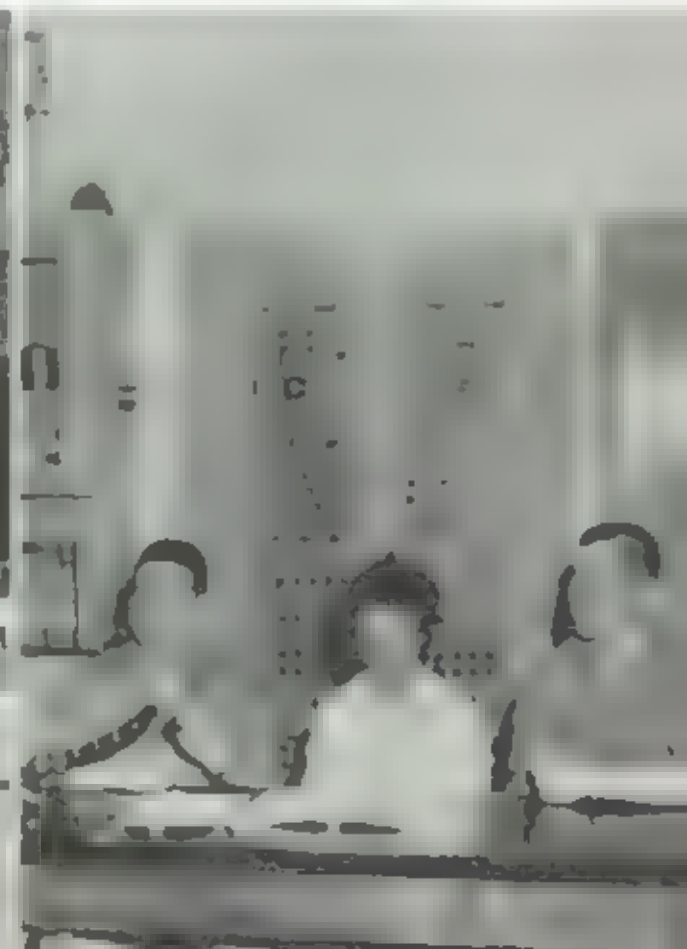

Leslie Saxe and Nancy Ely have not only been outstanding in their work in English, but have also been prominent in the foreign language field—Leslie in Spanish and Nancy in Latin. Both girls have fine personalities which, combined with their mastery of language, should lead to the achievement of their future vocational and social objectives.

Judy Belger has maintained the highest scholastic record in Vocational subjects throughout her three years at J.B. Judy has achieved prominence in her chosen vocation of secretarial work, if high school records are any indication.

These outstanding seniors were chosen for their scientific abilities. Kathy Dorn, when not busy with her duties as Girls' League President, could often be found wielding a "wicked" scalpel in Biology. Steve Eastmond, aside from his many jobs on our Akela Staff, was often found among test tubes and bunsen burners. Tom Fortmann, in addition to being a valuable football player, was a "whiz" with a lever in Physics. Proper recognition to these three seniors for excellence in the sciences is especially fitting during the present global competition for scientific advancement.

Cork Parker and Tom Brown were two of this year's "B" athletes. Cork received the "most valuable back" award and Tom was chosen "most inspirational player" at the annual Football Banquet. Both boys were a great asset to our "B" team this year. We will suffer a loss when they graduate.

Tom Holley and Chuck Moore were unanimous choices as the outstanding athletes of 1960. Tom was a member of the All League Football team. Chuck was captain of the Cross Country squad this year. He was one of the most outstanding runners J.B. has ever had, breaking many records. Paige Timmons and Donna Matheson were outstanding in Girls' Athletics this year. Both have been members of Lettergirls' Club for two years. They are known not only for fine playing, but for excellent sportsmanship.

Chuck Filbert, Bob Riney and Helen Adams have had many important offices in student government. Chuck served as Junior Class president, A.S.B. Recorder and Senior Class President. Bob has been Sophomore Class President, Boys' Council President, Vice president and Secretary and also served as A.S.B. President. Helen has served as Junior Class Secretary and A.S.B. Auditor for two semesters. All three have always worked with the welfare of their fellow students uppermost in their minds and have devoted time and energy to fulfilling the duties of these offices to the best of their abilities.

Linda Darling, John DeMott and Steve Mayer have been chosen for their contributions in the field of journalism. Linda has been writing for the Smoke Signal in the capacity of News Editor. She has kept everyone up to date on the latest happenings all year. John served as Sports Editor and Associate Editor of the Smoke Signal. He provided excellent coverage of all athletic events. Steve, the Associate Editor for the first semester and the Editor-in-Chief for the second semester, gave much of his time and talents in making the Smoke Signal an outstanding journalistic publication.

Somewhere there's music"—and that is where you'll find Sherry Snow and Jim Porter. Sherry has been active in all three choirs since her first year at J.B. She performed in such musical events as the small Operetta, "A Little Laurie," and "The Girl in the Big Operetta," "Call Me Madam." Jim has been an outstanding member of the dance band. His great talent has been enjoyed by all Burroughs students.

## NOBLE NOBLES

Two of the most outstanding dancers at Burroughs are Diane Stumpf and Linda D. Diane has performed in the "Call Me Madam" program and the Operetta. Linda has danced in the Operetta and at several other activities, including the Mother-Lauder banquet and the Father-Daughter banquet. She is a talented singer, having one of the leads in the small Operetta. Linda and Diane are truly an inspiration to their fellow students. If they choose to continue they will grow, through experience into accomplished performers.

Two of the most talented and enthusiastic performers at J.B. are Babs Altman and Kathy K. Babs has been "spotlighted" for her great ability. She has walked off with top acting trophies in two Foothill League Drama Festivals, and had one of the leads in the "Diary of Anne Frank." Kathy also won an award in this year's Foothill League Festival, and has been acclaimed for her fine abilities in the Speech Department.

Judy Jacobs and Kathy Tanous have won many awards this year in the world of art. Judy was often approached for posters and election banners and cheerfully turned them out with amazing skill and speed. Kathy also unselfishly helped out whenever she was requested, working on program covers and the Christmas program slides. Both girls deserve honors for achievement in visual communication which was vital to the success of many school activities.

Doug Farrell and Tom Holley specialize in different fields. Doug is an expert with electrics. He knows countless things about radios and other electrical wonders. Tom specialized in printing. Examples of his fine work could be found on programs and tickets for various school activities throughout the year.

"Take a letter, Miss" . . . Janet Costello and Karen Conard will probably be used to this phrase if they pursue their careers in the business education field. In this field efficiency and dependability are necessities. These girls have worked hard to increase their value to prospective employers.

# HIGHLIGHTS OF A NOBLE YEAR

For the "the night" Sally Timmons and Sally Leach are anxiously waiting for the Senior Prom which was held at the Elbert Hotel. The prom was a dazzling event which graduation activities began.

The Seniors began their last year at Burroughs by giving a Swim Dance. Juniors and Sophomores joined their upper-classmen in enjoying volleyball, ping pong, swimming, and dancing on Friday evening, October 9, 1959.

One of the traditions at Burroughs is the privilege of Seniors to march out of assemblies before the Juniors and Sophomores. Here the Seniors leave the hilarious Four Prep Assembly while the "lowly" Juniors and Sophomores look on.

Our fall Senior Council was responsible for the success of two fun-filled events this year—the Senior Swim Dance and the Senior Car Wash. The hard-working council members also began plans for the Senior All Night Party.

In the hands of the spring Senior Council were the plans of all Graduation events. Using fine judgment, many fun-filled activities were planned for the enjoyment of all Seniors.

The Diary of Anne Frank was presented by the Play Production and the Senior Class in February of this year. It was a moving portrayal of a teenage girl's problems under the "iron hand" of the Nazis and how through it all her undying faith in humanity still prevailed.

Fred Newberry, President, Barbara Kramer, Secretary, and Judy Freedman, Treasurer, ably headed the Senior Class during the fall semester. These three tireless workers gave us a fun filled and successful semester.

## SENIOR OFFICERS

Leading the departing Seniors from February till June were Chuck Filbert, President, Pete Lubisch, Vice President, Janet Lamb, Secretary, and Judy Freedman, Treasurer. Each officer filled his post most efficiently and, because of their efforts, success was assured for all Graduation Activities.

# KNIGHTS

 DURING the medieval period of our history, the Noble and his Knights formed the heart of the fighting force.

To become a Knight it was necessary to pass through long and tedious years of training. This began when the prospective Knight was quite young, perhaps not more than seven years old. They realized Knighthood was a noble estate that had to be earned before it was granted.

Each knight was taught to show respect, humility, and loyalty, and obedience toward his lord.

The Juniors, now accomplished in this role of Knighthood, will soon be promoted to an even higher honor, that of becoming a Noble.

# JUNIORS

The Junior Class Council met during some of their busiest hours to help arrange and organize the Jr. activities. Mrs. Liston and Mr. Brandt gave much of their time and valuable assistance in aiding them.

## FALL CABINET

The "Knights" activities were well met by the efficient winter cabinet. President, Doug Myers; Secretary, Deanna Wilcox; and Treasurer, JoAnn Stein met their duties cheerfully and capably

The officers of the Junior Class for the spring semester were Tom Rosenwein, President; Jackie Baldwin, Secretary; and Jo Stein, Treasurer. Among their administrative duties was the organization of planning for the Junior-Sophomore Dance, held annually in late May or early June.

## SPRING CABINET

The Junior Class Council dealt with all business concerning the Knights. The members for the second semester were: Tom Rosenwein, President; Jackie Baldwin, Secretary; Jo Stein, Treasurer; Ken Brown, Don Gargano, Pam Roberts, Jana Thomas, Bill Fynn, Althea Goldberg, Carl McGee, Nathan Roskov, Carol Raffino, Alice Sandoval, Corrie Wilson, Kathy Zecher, Ed Beason, Sharon Lutz, Eugene Keating, Kay Holzer, Pam Davis, and Winnie Foster.

# KNAVES

**T**HE Knaves were the lowest of the servants in the Middle Ages. Their tasks included serving their superiors, the Nobles and Knights of the castles. Although they began at lowly stations, they were quick to take advantage of opportunities to rise in class and dignity. As they rose to these respected positions, they gained valuable knowledge and confidence to aid them in the future.

Our sophomores are beginning at the bottom of the ladder to success; and only after hard work and many hours of studying, will they become the dignified upper classmen.

# SOPHOMORES

Many sophomores pause from a busy lunch schedule to pose for a "candid" photo in the cafeteria

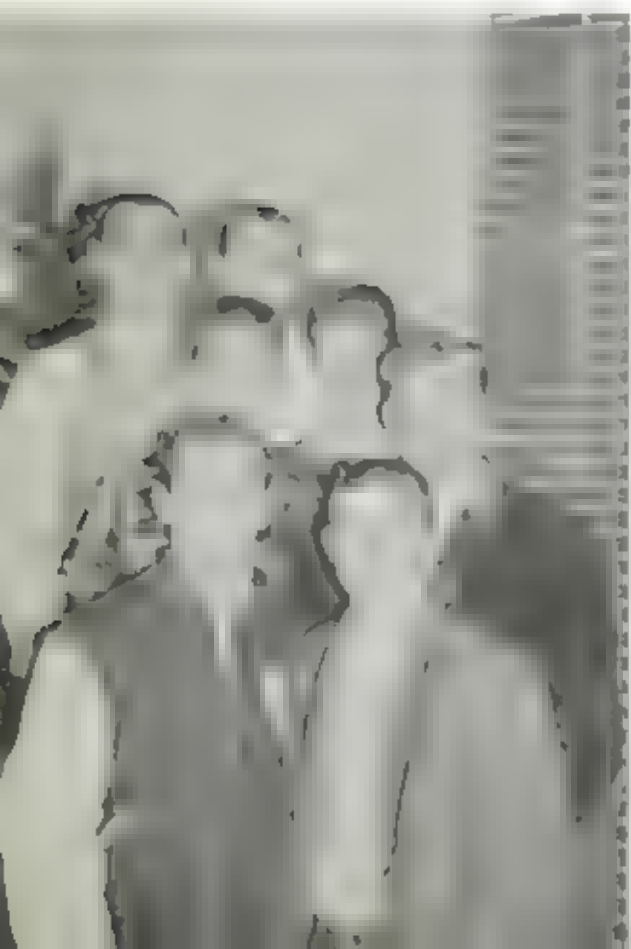

## SOPHOMORES

Mr. Ed Viskocil (left) and Miss Lorraine Read gave valuable assistance and guidance to the officers and council in planning their events

Cindy Maddren, sophomore secretary (left), Steffi Waxman, president (center), and Judy Shirley, treasurer (right), worked hard with the Sophomore Council second semester to make all their activities a big success and a lot of fun

Shown here are some of the most promising sophomore athletes. Front row: Mike Howard (left) and Norm Title. Second row: Barry Nelson, Bob Nelson, and Don Nevitt. Back row: Bob Lee and Alex Drever

# THE ROUND TABLE

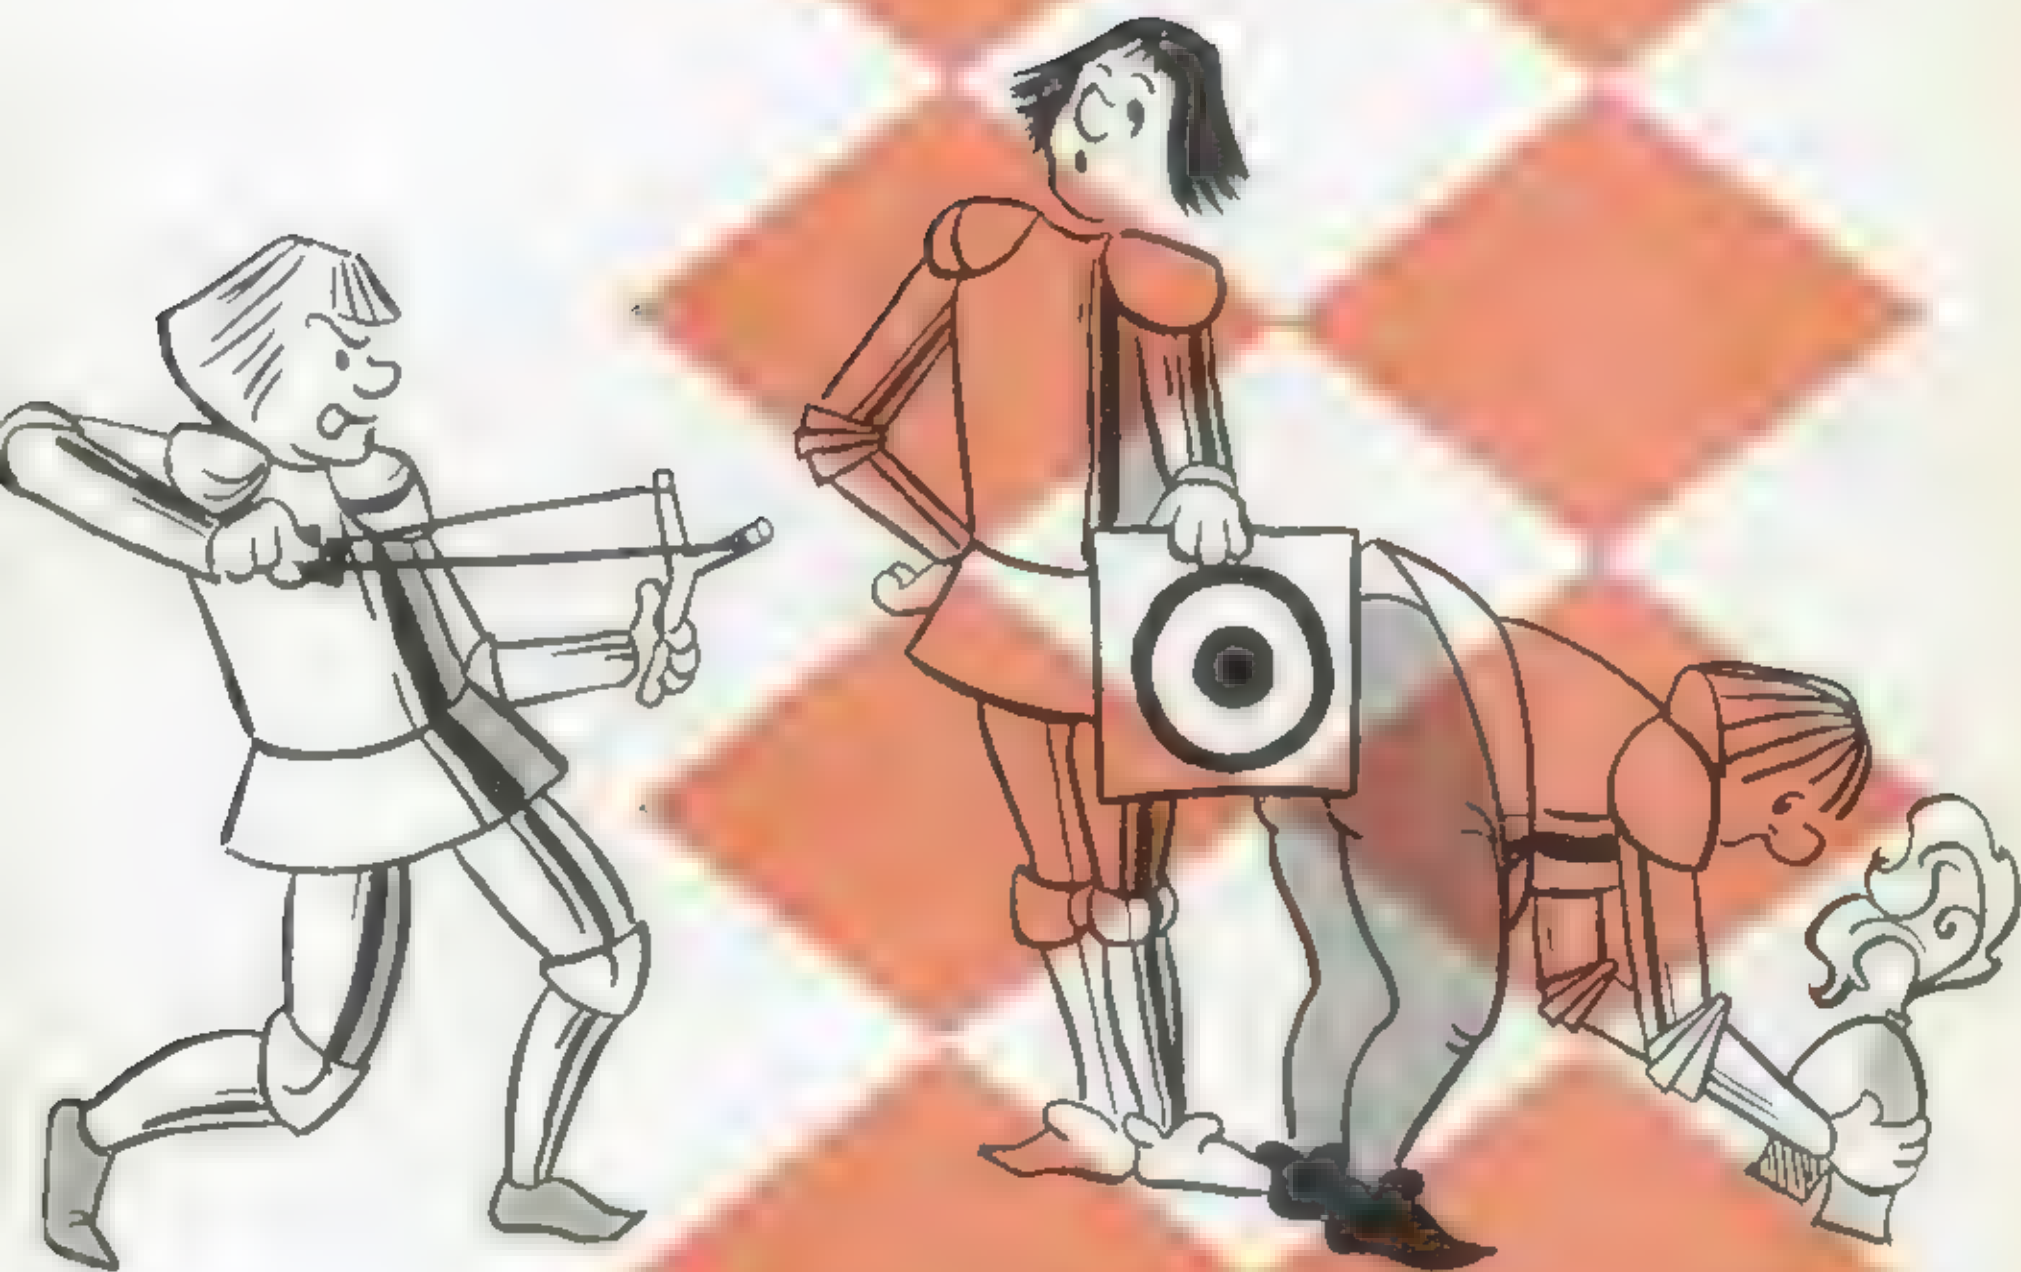

**W**HEN in Medieval times, King Arthur realized the importance of advice and assistance from others. A great many problems arose, causing an extreme state of confusion throughout the land. Arthur called his knights together to aid in governing the region. They met in an English castle, which provided a Round Table with neither head nor foot, for he wanted to sit among his knights as a man among equals.

Our Student Body government functions in much the same way as did the Round Table. It was necessary that there was a chief executive. Our president takes this role, and just as Arthur had an assistant, we have a vice president. No doubt there were knights among Arthur's court who were responsible for keeping the records and accomplishments of their subjects. For these very important tasks, we have a secretary, a treasurer, and a recorder. In this medieval system we find the first spark of the democracy which we have today, in our country and in our school.

# STUDENT GOVERNMENT

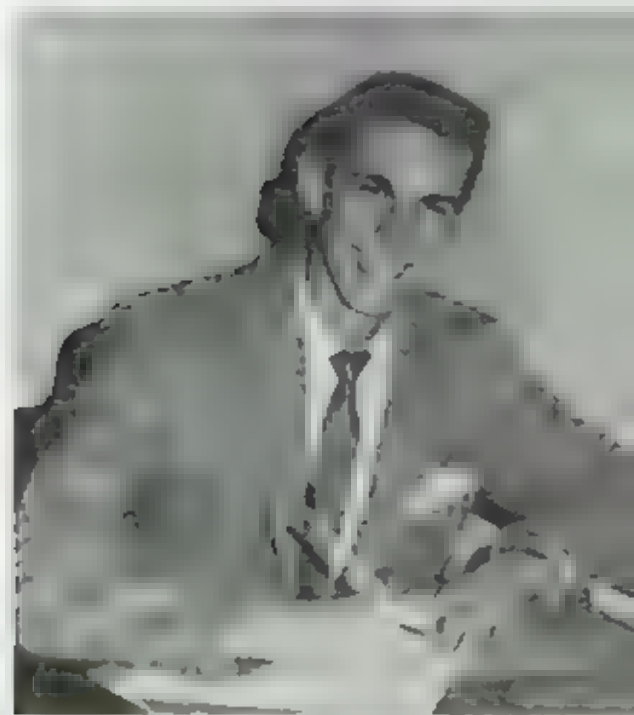

# FALL CABINET

JOHN BURROUGHS ABOUD gained the respect of the entire student body for his outstanding leadership as president of the Associated Student Body of John Burroughs. Louie was well known for his exceptional friendliness and warmth throughout his term of office. Even though he had the responsibility of co-ordinating all the student body committees and headed the Legislative and Executive councils, he found time for individual students. The leadership of President Aboud will certainly long be remembered.

A democratic government is contingent upon good communications. FRIDA BUCKNER has done an exceptional job in keeping our lines of communication open. As Corresponding Secretary, Frida has been responsible for all student government correspondence.

Many of the accomplishments in our student body government this year were due to the efforts of CAP WALLINGTON. As Vice president, Cap assisted the President in his administrative duties and worked with all the cabinet members. Cap has done more than his part to give John Burroughs good government this year.

Probably the most exacting position in our government is that of Auditor. HELEN ADAMS was efficient and expert in assuming these duties. She deserves a great deal of recognition for the many hours spent in keeping our financial records in order.

As usual, we find CHUCK FILBERT at his desk. Chuck has charge of all the detailed paper work involved in a large student body. The office of Recorder takes many hours of work. The student body gives a vote of confidence to Chuck Filbert for a job well done.

Accomplishing the exacting duties of Recorder was Froma Weisberg. Froma's fine traits and experience in student government were a welcome addition to Executive Council.

Kathy Dakin, Girls' League President, and Tom Fortmann, Boys' Council President, joined Executive Council representing their respective organizations. Their qualities of leadership were responsible for the success of many Burroughs activities such as the Backwards Dance and the Boys' Council Assembly.

The planning for such activities as the Fine Arts Banquet was one of the important accomplishments of A S B. Vice-President John Bates. In addition, John presided over I.O.C. the Inter-Organization Council which is a body composed of representatives from school clubs and organizations.

Returning for a second semester as student body Auditor was Helen Adams. Besides taking charge of all financial duties, Helen also accomplished many other tasks that confronted the Executive Council. Her congenial attitude and warm personality were constant assets to the efficient function of our ASB.

Responsible for the exacting position of ASB Secretary was Carla Vaccariello. Managing the elections and providing Legislative Council minutes for all the chairmen and club presidents kept Carla busy fulfilling the duties of her important office.

## SPRING CABINET

In his term as Student Body President, Bob Rigg was faced with numerous responsibilities and situations which merited his outstanding leadership capabilities. Bob's friendly and informal manner has won for him the grateful recognition of the student body. The students of JB salute Bob for a job well done.

Winter semesters' Girls' League and Boys' Council Presidents were Janet Lamb and Bob Rigg. To Janet and Bob go big "thank you's" for their fine work in their respective groups.

# LEGISLATIVE COUNCIL

## FALL

The Legislative Council is composed of members from the Executive Council, class presidents, committee chairmen, representatives from campus clubs, and a representative from each guidance class. These students bring ideas and suggestions from their respective classes and present them to the council to represent. The purpose of this council is to give the student a closer association with his government. The members of the Legislative Council are as follows: Sharon Marx, Kathy Sauer, Judy McWilliams, Carol Olson, James Smallwood, Pat McNeer, Sue Lee, Heather, Christine Locks, John Kuehl, Katherine Hill, Bob Connally, Kathy Wagoner, Jennifer Davis, French Norman, Bob Ferguson, Han Chung, Jerry Laddock, Judy Belter, Sherry Simons, Howard Thew, Bill Staton, Stephanie Waxman, Eddie Hill, Jean Menzer, Leo Schramling, Marc Schneider, Pam Moorhead, Jed Friedman, Marilyn Melville, Stuart Ray, Bill Foster, John Bates, Mike Wright, Lynn Brown, Mike Howard, Pam Davis, Donna Dixon, Steve Wright, Harvey Allen, Bob Gaudin, Sue Reid, Mike Rademacher, Sue Koller, Linda Dubell, Chuck Record, Ron Chue, Pat Smith, Sharon Moody, Shirley Schilling, Margaret Hylen, Dan Cole, Tracie Evans, Monte Osborne, Dale King, Louie Aboud, Cap Wallington, Freda Burkner, Helen Adams, Chuck Filbert, Janet Lamb, Bob Rigg, Berna Miller, Deanna Davies, Ken Kleinberg, Tom Rosenwein, Valeri O'Krent, Jerry Webb, Jack Maslow, Marlene Storti, Rocio Uscategui, Linda Turk, Carolyn Martin, Fred Newberry, Doug Myers.

# SPRING

Mrs. Florence Trempe, our ASB Advisor for the year, was indeed indispensable to the efficient operation of our student government. In addition to advising the Executive Council and attending Legislative Council meetings, Mrs. Trempe joined Burroughs' representation at Foothill League meetings.

The members of the Senior Legislative Council discussed and voted on varied and pertinent subjects. The meetings were informative and interesting. Patterned after the Congress, Legislative Council provided everyone with a sound knowledge of government in action. The members for the Spring semester were as follows: Tom Hervey, Jack Maslow, Joe Scardino, Bob Connella, Jim Derrick, Jim Schaff, Dave Haus, Carolyn Barry, Debbie Frenkel, Doug Frolander, Cal Roberts, Brian Stoecker, Marilyn Melville, Bob Lickter, Bonnylee Hansen, Carol Phoenix, Jesse Riley, John Bates, Kay Chamberlain, Erik Pederson, Fred Newberry, Linda Dubell, Julie Mueller.

The Junior and Sophomore Legislative Council pictured here is the most important and essential part of student government at Burroughs. Composed of representatives from various classes and student body officers, the Council takes care of all business which concerns the student body. The members for the Spring semester were as follows: Joan Shipley, Carol Olsen, Jim Smallwood, Tana Thomas, Judy Slepicka, Marcia Kurtz, Shirley Tinker, Carol Byram, Gerry Aboud, Linda Laws, Ronnie Koffler, Bob Squire, Bill Slaten, Brian Van Holm, Diane Ritchie, Ralph Holt, Trudie Evans, Sandi Garrison, Linda Stewart, David Pelz, Carol Practer, Tahne Akers, Louis Parker, Henry Flores, Wayne Perryman, Lloyd Obermann, Sharon Moody, Diane Guinaugh, Chris McReynolds, Colleen Gatskell, Leslie Gillenson, Blake Maxum, Wendall Fleming, Joann Edwards, Linda MacTaggart, Alan Davis.

Shown in action is the key to Spirit Incorporated. They are from left to right: CAROL, BYRAM, MAVIS, MADDI, JACK, MASLOW, GLENN, GORDON, GLORIA, VIGIL, and THOMAS, STERLING. Our yell leaders have led Burroughs' efforts in the expressive yells which have made our white section so well known in the Football League.

## SPIRIT INCORPORATED

JACK MASLOW did an outstanding job this year carrying out the duties of Yell Co-ordinator. Through his leadership the white section gave both teams their full support.

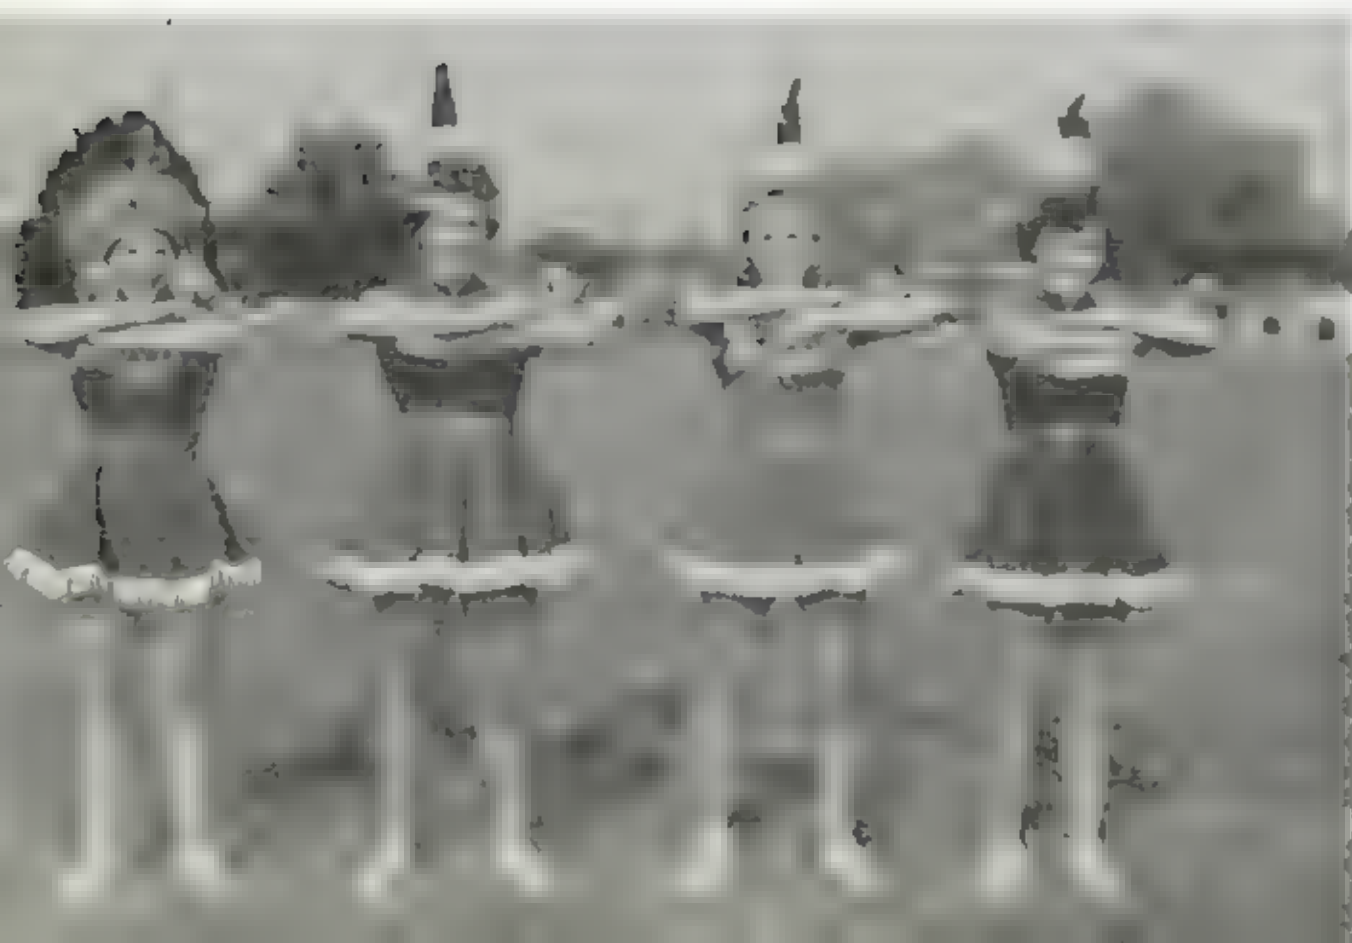

Encouraging John Burroughs' spirit at all games are the song leaders. These girls spend many hours perfecting their routines seen at our games. Completing a successful year we have, Marlene Storti, Susie Kirk, Sharon Harkins, Cheryl Ferenez, Lynn Cweny.

Keeping the spirit of John Barrow at its best level are the hard working fast-stepping minorettes. They add color and precision to the half time activities at our football games. The routines are created by members of the group. The members are as follows: Jackie Baldwin, Sue Batchelor, Cindi Bentz, Sally Berry, Linda Case, Sharon Caven, Barbara Demmert, Val Freeman, Brenda Dionne, Melinda Gosa, Suzanne Gulick, Cathy Harris, Irene Harrison, Carol Hesse, Carolyn Kevsior, Marsha King, Dinah Korb, Jeri Manning, Pam Melner, Helen Miller, JoAnne Murray, Rita Ozoff, Alice Pierson, Darlene Pittman, Dean Prock, Sue Read, Diane Repetto, Pat Ryan, Shirley Sealey, Sandy Spain, Diane Stumpf, Karen Taylor, Donna Thill, Linda Willes, Linda Wilson, Jill Unger, Lois Vangor, Barbara Waksman, Joan Weber, Charlen Wilson, Connie Wilson, Peggy Worthington

Out in front of the Redskin Band you will find the high-stepping Majorettes. They play an important part in promoting good school spirit. From the left TONI DEL CORCHIO, head majorette, LORETTA DARSEY, SHERRY CHUBB, and RUTH EDSTROM. Not shown are: KATHY WALKER and DIANE SEELY.

Many extra hours were spent by the Social Committee in planning our social events of the past year. The success of these events proves how hard this committee worked. We present Jerry Webb, chairman, and his committee members who are as follows: Irene Harrison, Leanne Read, Kathy Sauer, Carol Schuelte, Dore Stumpf, Laurel Vodnansky, Marsha C. Coppedge, Suzanna Cullick, Janet S. Steve Theurer, Loraine Faola, Lenor G. Sally Irish, Sharon Moody, Paula Stampke

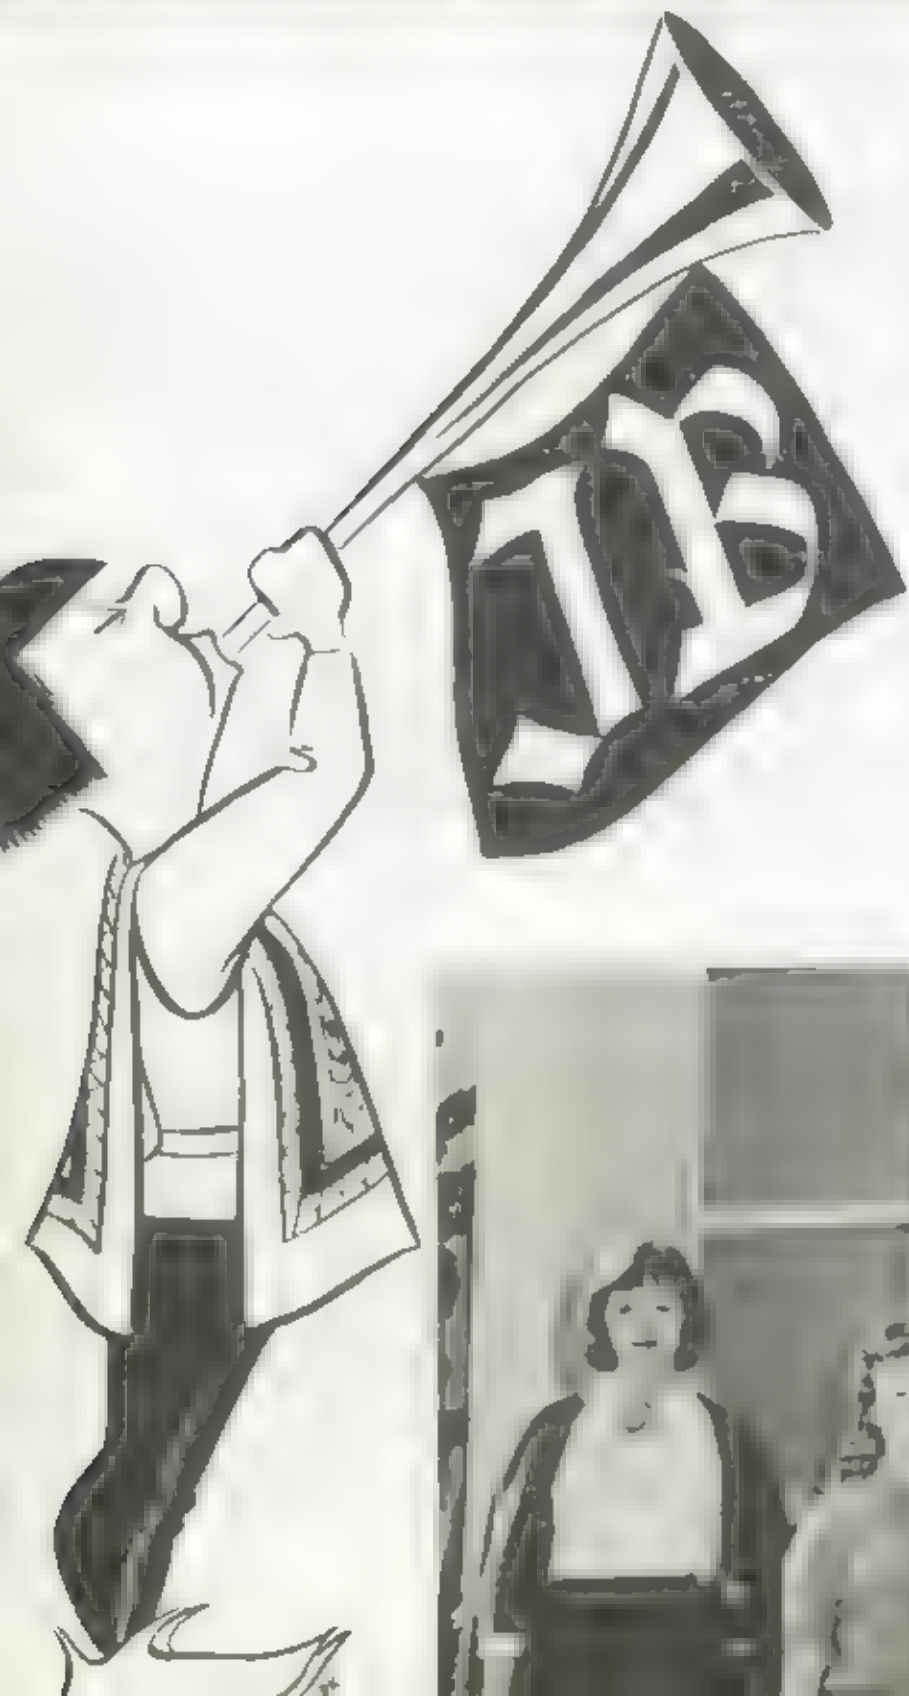

Deanna Davies and her Assembly Committee worked hard this year for our interesting and unique assemblies. The committee members are Barbara Allman, Jack A. and Vivian C. Jim Diellenworth, Jeff Lippman, Lee Schramm, Carolyn Baird, Charlene Bowman, Danna Betz, Kathy Howie, Lauri Claridge, Sherri Holmann, Patt Lewinson, Lolita Moudakis, Jerry Osterholt, Tina Riddle, Dianne Sathany, Ralph Smouse, Dennis Wright, Eddie Allman, Joanne Barrett, Sandy Cropper, Hess Craig, Mari Dami, and Scott Isbell, Leslie Gillanson, Julene Kori, and Carl Ohl. Jim Rodice, Ann Reynolds, John R. Patti Rdey, Cara Volpe, Sandra Wornas, Marsha Winburn, Judy Donze, Ellen Johnson

## A.S.B. COMMITTEES

The spirit of the Burroughs Indians was boosted by Valerie O'Krent and her Rally Committee members who were Sherry Ophio, Loretta Dancy, Tony DelCorno, Margaret Eckhardt, Rita Ann Erdrem, Ted Friedman, Susan Hertz, Betty Harvey, Lee Mishaw, Linda P. Miller, Anne Scott, Louise Sorenson, Judy Urban, Gloria Vail, Carol Wyrten, Lynn C. Cuddy, Cheryl Feranz, Sharon Harkins, Margaret Hyley, Susan

G. G. Kelly Hall, Edythe Kessinger, Carol Klein, Sue Lohmeyer, Mary Moore, Linda Stewart, Lois Vagnor, Joanne Weed

[illegible]

It is up to the Publicity Committee to see that the student body is informed about the various activities at John Burroughs. This is the responsibility of Tom Rosenwein serving as chairman and his committee members who are Sara Jane Reynolds, Janet Bean, Dan Dvorkin, Ray Fall, Don Guild, Ed Isaacs, Rolene MacMillan, Judy McWilliams, Jo Anne Murray, Dave Strauss, Dick Evidon, Jann Edwards, Bobbi Jackman, Marcie Karp, Larry Seamus, Helen Waltz.

Martha Nicholson, J.B.'s exchange student, had many rewarding experiences on her trip to Switzerland. There was a special assembly devoted to A.F.S. committee at which time Martha brought information to the student body concerning her summer abroad.

We welcome Rocio Ustiter, our exchange student from Ecuador, as a member of our Student Body. She is sharing a home with Sue Reed, one of our students. We have learned many facts from Rocio about life in Ecuador. It has been a pleasure having Rocio as our exchange student and we will long remember her visit to America.

## AMERICAN FIELD SERVICE

The main function of the American Field Service is to promote better understanding between the United States and foreign peoples. Arrangements are made for the exchange of superior students from America in schools with students from foreign schools. The A.F.S. has distributed publicity throughout the city

and schools, helping people to become acquainted with the many duties of this service. This organization welcomes the exchange students and helps them to become accustomed to their new country.

A new attraction for Burroughs fans this year was our Indian mascot. He first appeared during the fall season, and at all of our main sports events later in the year. The school spirit this year has been the finest in many seasons, and a large part of this enthusiasm was due to the presence of our Indian. He brought the spirit to our student body that inspired our teams to numerous victories for Burroughs High. It is certain that he will be another colorful tradition for our school. This tradition will grow with the spirit and greatness of John Burroughs in the future.

Further appreciation should be given to our band and to the song and yell leaders. Their faithful and devoted attendance at our games brought increased enjoyment and excitement to the student body. The colorful routines performed by the minorettes at football games were well done and enjoyed by all. The card stunts, under the direction of Pep Council, provided another fine halftime activity; the card tricks were expertly planned and performed.

Through the efforts of all — our mascot, our teams, and the rest of the student body — the victory flag flew many times above the campus of John Burroughs High in 1959 and 1960.

## THE BIRTH OF A TRADITION

Members of the Fall Girls' League Board, under the supervision of their officers and sponsors, undertook the difficult task of planning the numerous events sponsored by the Girls' League. The members were as follows: Kathy Tanous, Karen Potter, Paige Timmons, Jean Horback, Karen Duncan, Donna Matheson, Kathy Dinkin, Sandy Jacobs, Stephanie Waxman, Sandra Shirley, Karen Horback, Jill Underhill, and Karen Shirley.

Doing a wonderful job, as is their tradition, are the Girls' League advisors. All Girl League questions and problems are taken to them, and they are responsible for maintaining the fine reputation of the Girls' League at John Burroughs.

## GIRLS' LEAGUE

The Fall Semester Backwards Dance, "An Autumn Evening", was truly a success because of the hard work and cooperation the Girls' League Officers gave to their Board. They were as follows: President Janet Lamb, Vice-President Charlotte Sanger, Recording Secretary, Linda Brown, Corresponding Secretary, Vivian Kirby, and Treasurer, Winnie Foster.

Events such as the "Date with Dad" and the Spring Backwards Dance were successfully planned by the Girls' League Board with their efficient officers: President, Kathy Dakin; Vice President, Deanna Wilcox; Recording Secretary, Karen Jensen; Corresponding Secretary, Jill Unger; and Treasurer, Karen Potter.

## GIRLS' LEAGUE

The Girls' League Board assisting the officers in their plans for the Spring Semester were: Kathy Dakin, President; Deanna Wilcox, Vice President; Karen Jensen, Recording Secretary; Jill Unger, Corresponding Secretary, and Karen Potter, Treasurer. The other members were: Jackie Calzia, Cathy Capps, Joyce Anderson, Sandy Jacobs, Margaret Hylan, Sandra Shirley, Karen Duncan, Paige Timmons, Karen Hendrickson, Charlene Fenaja, Pauleen Crawley, Margo Reiner, Cheri Lawson, Freda Buckner, Ginny Jeffers, Connie Wilson, Louise Sanucci, Marsha Kurtz, Sheilla Barnes, Roberta Rumbaugh, Kathy Squires, Gloria Easter, Katy Hall, Karen Baker, Sue Kohler, Karen Shirey, Rocio Uscategui, Julie Wills, Sandy Leupold.

Mr. [Name] and Mr. Smith have taken [Name] under their wing in guiding Boys' Council through the past year.

The official officers of Boys' Council for the first semester were Rob [Name] President, [Name] Vice President, Tom Fortmann Secretary-Treasurer.

The Boys' Council has played an active part in formulating the social life at John Burroughs. They presented the successful banquets honoring football, basketball, and the spring sports. In addition to this, the students enjoyed the Boys' Council Mix.

The Spring Boy's Council Talent Show was well-rounded by an entertaining cast of the Student Body. Pictured here is Don Pease who gave us a wonderful performance on his Unicycle.

## BOYS' COUNCIL

Tom Fortmann, President, Bob Zeich, Vice President, and Steve Mayer, Secretary-Treasurer were elected by the Student Body for the Spring Semester. Planning and arranging the "Shamrock Hop" and the Boys' Council Talent Show, they all have ably fulfilled their positions.

Assisting their officers, the Boys' Council helped achieve success in the events which took place during the Spring Semester. The members are as follows: Tom Fortmann, President; Bob Zeich, Vice President; Steve Mayer, Secretary-Treasurer; Gerry Aboud; Dave Hengsteler; Eddie Hill; Bob Lee; Bob Massey; Steve Mayer; Mike Van Dyk; George Kirby; George Adams.

# TOURNAMENTS

N days of old, when knights were bold and chivalry dictated the rules of conduct, young men proved their valor at tournaments. Here, on the gaily decorated fields, they anticipated honor and glory at the expense of their foes while peasants and nobility alike cheered them from the stands.

Whether they won or lost was irrelevant. The important thing was to have competed.

Today, knighthood has vanished and chivalry has been replaced by sportsmanship, but the battle-weary contestants, the spectator-filled stands, and the excitement of the tournaments still exists in our own combat and competition.

# SPORTS

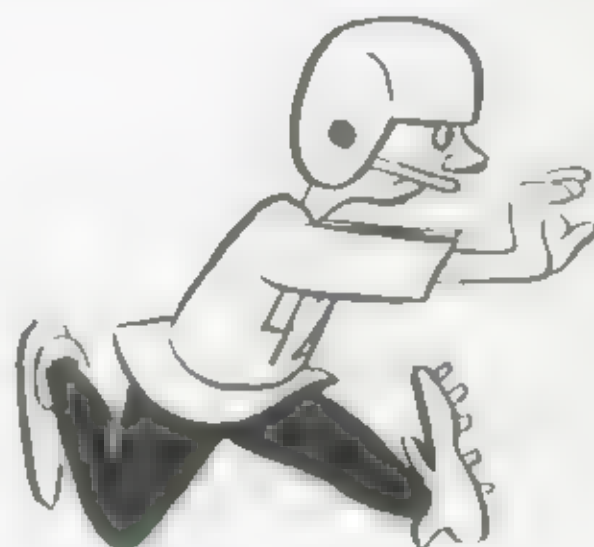

Head coach Leon Shortenhaus, center, has been at the helm of the Indian Varsity for three years, during which time he has worked constantly to produce a good football team. This year's well oiled backfield was directed by coach Jack Drager, left, who never failed to give advice and help to those who needed it. Line coach Bob Dunivant, right, was a real sparkplug this year with his boundless enthusiasm and knowledge of line play. Often frowning, sometimes smiling, always ready with a much needed word of encouragement, he developed our line into a smoothly-functioning unit, the best in the league.

Bob Rigg (left), Bob Zeich, and Tom Holley were elected as co-captains by this year's varsity. Their desire to win was inspiring to everyone on the team, and they led us to many victories

This year John Burroughs fielded one of the finest and most spirited varsity football teams in the school's history. The record of five wins and four losses does not tell the true story, for this year's Indians beat Fremont and Glendale in two of the biggest upsets in Southern California. Mighty Fremont was defending city champion and was defeated only by us in season play.

We opened the season with a close defeat at the hands of our traditional pre-league rival, Notre Dame. The next week we were trounced by Reseda in our only sound defeat of the season.

We started our third game against supposedly unbeatable Fremont in front of 5,000 pessimistic and very dejected fans. By the end of that game we had finally broken our string of eight straight losses and had once again established ourselves as a major southland football power.

Our final practice game against Rancho Alamitos provided many thrilling moments for the fans. We were behind by one point in the last 32 seconds, when a spectacular touchdown pass brought us victory.

Our first league game was a bitter disappointment as a mediocre Pasadena team beat us by one touchdown. We came back the next week to defeat Hoover in the last minutes. Muir edged us out in a wild contest by only eight points.

As the end of the season drew near we tightened up and whipped league champion Glendale. We beat our rival Burbank in a disappointing final game, as most of Burbank's first team was ineligible.

This year's Indian varsity, picked to finish last in the pre-season predictions, must be remembered as a fine, spirited team, who, although they lost, never gave up.

This year's Varsity starting lineup included, from left to right end Bill Sullivan (6-0, 170), tackle Tom Holley (6-1, 200), guard Tom Fortman (6-0, 202), center Pete Lubisich (6-1, 202), guard Bob Rigg (5-9, 178), tackle Bob Horgan (6-0, 170), and

end Glenn Nelson (6-11, 170). Backfield starters included halfback Carl Lick (5-9, 170), quarterback Bob Zeich (6-1, 180), fullback Steve Barrett (6-10, 200), and halfback Brent Vance (5-11, 170).

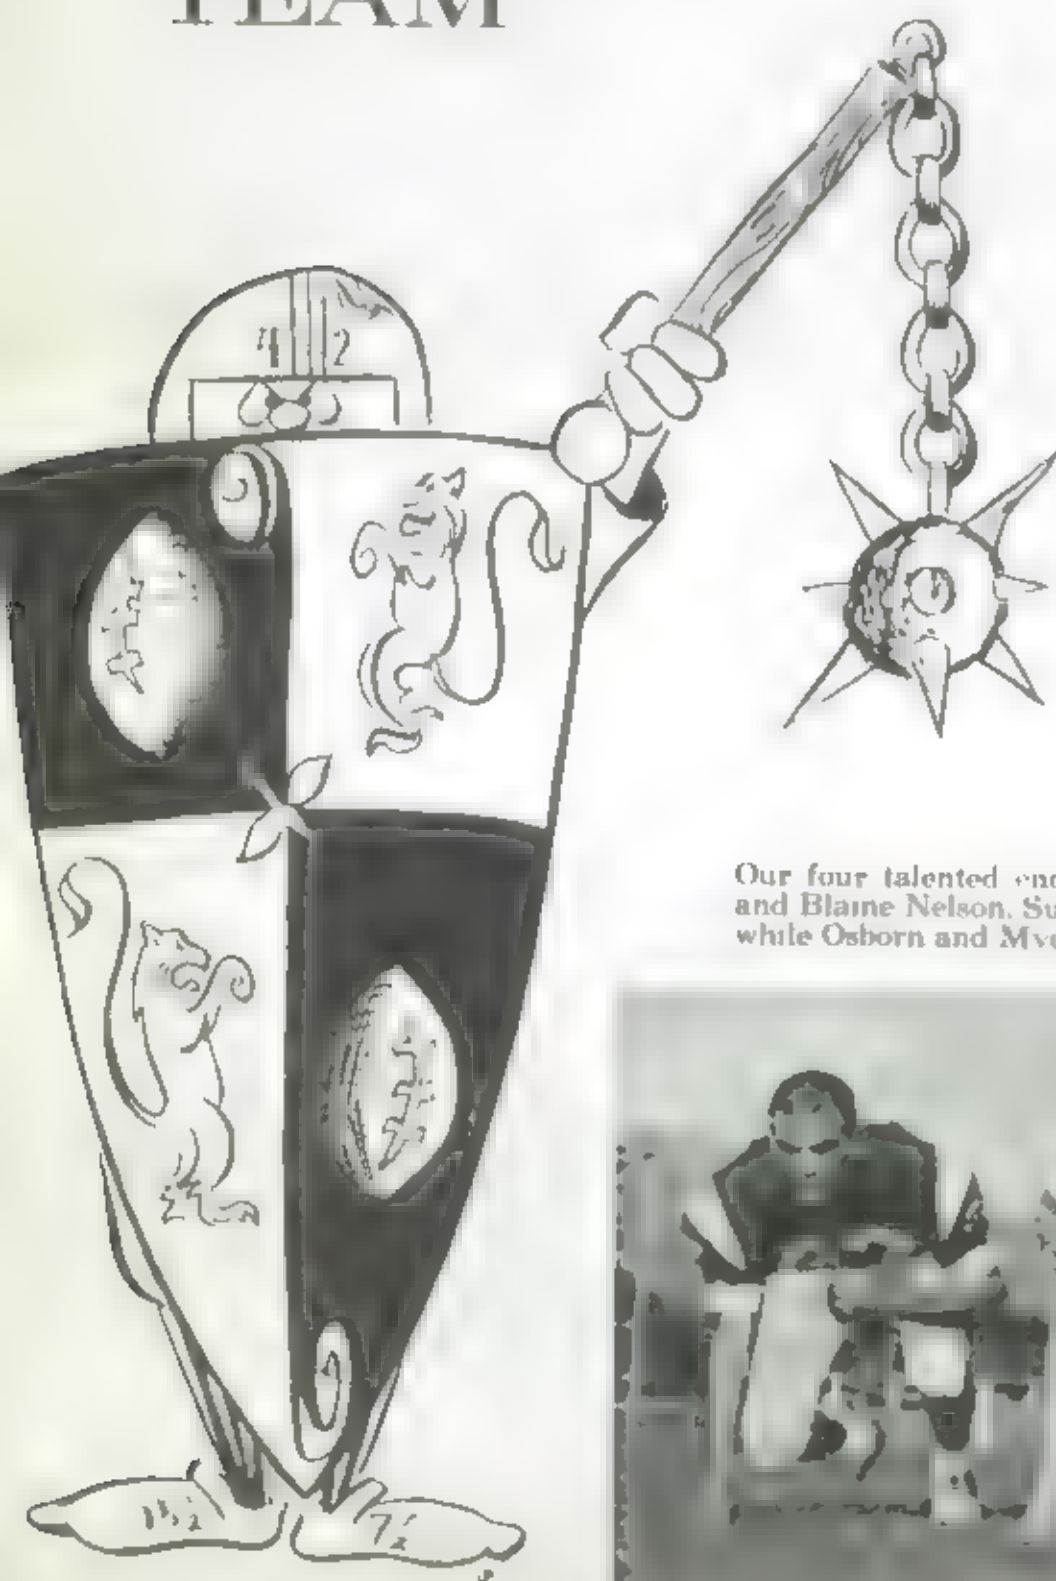

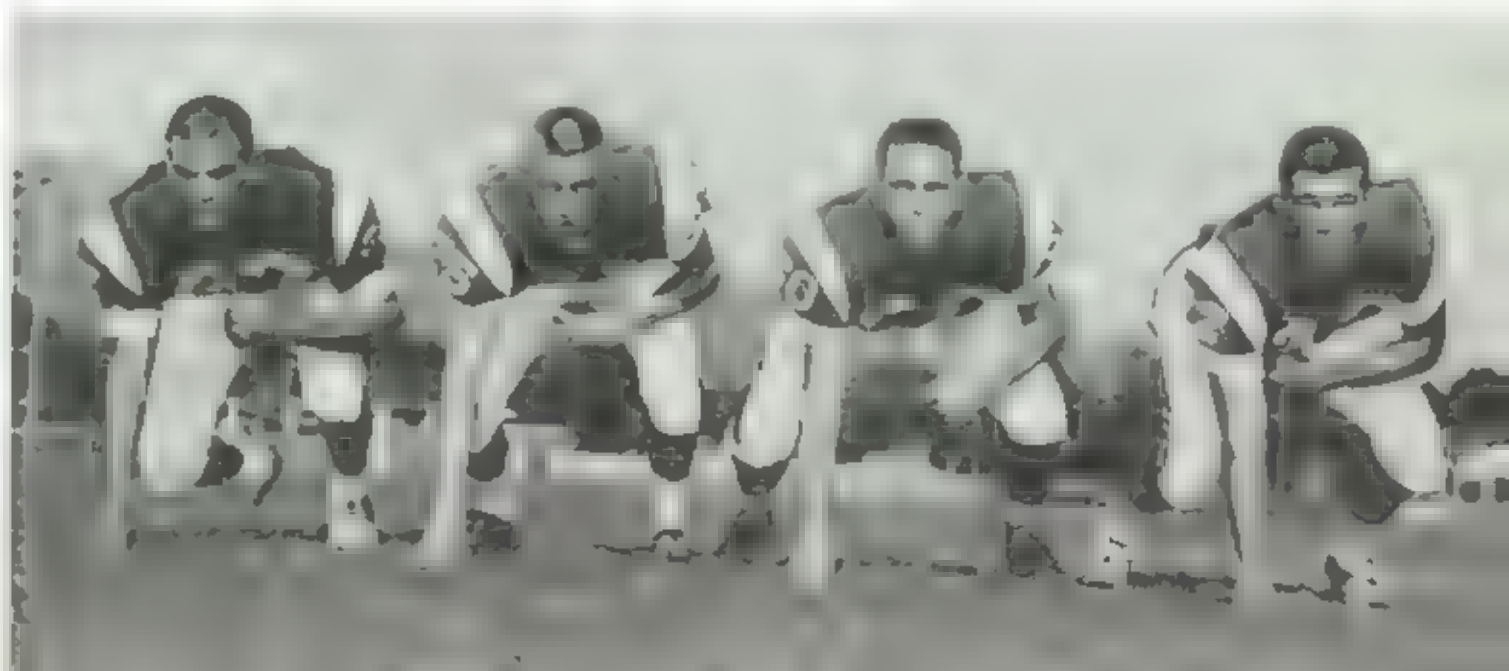

Three tough veterans who bolstered the middle of our line were, from left, guard Tom Fortmann, center Pete Lubisich, and guard Bob Rigg. Lubisich opened holes in the middle of the line and our backs scampered for many yards behind the blocks of Fortmann and Rigg. Our versatile quarterback, Bob Zeich, rear, was one of the most outstanding backfield men ever to attend John Burroughs.

Four of our most potent backfield weapons were, from left, wingback Gordon Fanning, fullback Everett Vollmar, halfback Brent Vance, and quarterback Harvey Holt. Holt, known affectionately as the "Golden Boy," posted the enviable record of never losing a game. Holt was one of our best blockers, corner men and a good passer on offense.

## VARSITY TEAM

Our four talented ends were (left to right) Monte Osborn, Bill Sullivan, Doug Myers, and Blaine Nelson. Sullivan, our best pass-catcher and Nelson usually played offensively while Osborn and Myers were defensive specialists.

Three outstanding tackles this year were from left, Tom Holley, Bill Jenkins, and Bob Horgan. Holley was a big asset to the team playing both offense and defense. Horgan and Jenkins were iron men on offense and defense, respectively.

Rounding out our backfield were fullback Steve Barnett, halfback Tim Seiler, and wingback Charlie Lack. Barnett and Lack were the main workhorses, while Seiler was one of the top defensive backs in the league.

The loss of center Jerry Geraci, left, and halfback Harvey Allen, was a severe one. Allen, a stellar player on our varsity, was sidelined with a bad knee and Geraci, a former Bee, broke his ankle in practice.

Left to right are tackle Louie Aboud, guard Perry Kingston, tackle John Matheson, guard Barry Snyder, and tackle Denny Cole. Five of the most talented members of the team; they could always be counted on to fulfil in when and where they were needed.

The Redskin line piles up a Rancho Alamitos runner. Shown are Harvey Holt (16), Tom Holley (31), Tom Fortmann (42), Pete Lubisich (33), Jim Seiler (12), and Monte Osborn (under p

About to tackle this Honver ball carrier are Tom Holley (31), Tom Fortmann (42), Jim North (46) and Monte Osborn (head down)

## J.V. FOOTBALL

Mr. Jack Drager took time out from his many duties as varsity backfield coach this year to serve as our very capable J.V. coach. He did an excellent job of teaching the boys the fundamentals of football and preparing each of them for an eventual post on the varsity. The J.V.'s are a very important part of our team, as they must someday fill the shoes of the present varsity starters.

Their very impressive record was marred only by a non-league loss to Fremont, which was soon avenged by the varsity. They swept through the league devastating all opposition except Burbank, who forfeited.

The J.V.'s should be extremely proud of their record and most of them will no doubt become a vital part of next year's varsity.

Coach Brandt has been a true inspiration to every boy that has ever played under his benevolent hand. His methods of "rock em sock-em" football have proven him to be one of the most outstanding "B" coaches in this area. Mr. Viskocil was our very capable assistant coach. He was a real asset to our team handling many duties, including our Bee reserves.

"B"

FOOTBALL

This year's starting "Bee" line up included on the line, from left to right: end Mike Davidson, tackle Larry Sobel, guard Clyde Anderson, guard Louie Alcantar, center Joe Hillman, tackle John Radecki, end Bill Lamar. In the backfield were wingback Eugene Provasi, blocking back Dick Warnke, fullback Marc Schneider, and tailback Cork Parker.

Under the expert guidance of Coach Ralph Brandt the 1959 Bee Football team again experienced a winning season. When the season started, they had a string of 13 games without a defeat. They had inherited this fine record from two teams that came before them. The Bees began this season just where they left off last year. They romped to victory in all of their practice games, defeating lightweight squads from Notre Dame, Reseda, Fremont, and Rancho Alamitos. Many people believed that this squad would be powerful enough to retake the Foothill League "B" Crown. League competition proved to be too strong though and our spirited Bee team was defeated by four very fine squads from Pasadena, Hoover Muir, and Glendale. It has been said that the mark of a real team is the ability to bounce back after defeat. This is exactly what our Braves did, defeating arch-rival Burbank High and ending our season victoriously.

Fierce competition is a basic precept of football. Here Nino Candido is shown fighting for Burroughs while Clyde Anderson comes to his assistance. In the background, Mike Davidson and several of his team mates seem to be absorbed in their own problems.

One of the most exciting plays of single wing football is the end sweep. Here, Cork Parker, one of the finest Bee backs ever to attend this school, is heading for the end zone as he outdistances a Rancho Alamitos player.

## CROSS COUNTRY

Coach George Boone has completed his seventh year as Cross Country coach. Under his direction the varsity squad has grabbed the Foothill League Championship title for the last two years. This year's squad lost one meet and that only in the practice round.

Captain Chick Mokracek led the pack in its capture of the two Foothill League Crowns.

Among opponent schools, our "B" basketball squad has gained the reputation as being one of the scrappiest and the most spirited lightweight teams in Southern California. The "you can knock me down, but you can't knock me out" attitude made the "B" games as fast and exciting as the succeeding Varsity games.

Coach Kale Canfield this year stepped up to the position of "B" basketball coach. Coach Canfield's fine coaching experience has helped to build the strength of our "B" team.

COACHES George Boone and Ralph Brandt were the coaching factors in this year's track team. Their valuable assistance and knowledge helped mold JB's successful track squad.

One of the most difficult running events is the hurdles. Gerald Hoffmann (right) carefully, but accurately, completes another hurdle.

## VARSITY TRACK

This year's track team will probably be classified as the finest produced at J. B. From the beginning it looked like our team was going to be strong in the running events, but weak in the field categories. However, meet after meet, we gained an easy victory in the running events and took the lead in the field events, also.

The biggest and best victory Mr. Boone's squad encountered was against Hoover, whom we defeated for the first time since 1954. This victory, along with the league opening defeat of Pasadena, made J.B. a threat to win the league crown.

Mike McHorney is shown here completing a successful pole vault. His outstanding jumps gained JB many points.

# BEE TRACK

Our Bee Track Team was just as much a part of our successful track season as the Varsity. The victories in the field and running events enabled us to make a clean sweep of many of our track meets.

Competing as a team, the Bees swept first place in the annual Pasadena games.

## VARSITY BASEBALL

Our Varsity Baseball team was a pre-season favorite to capture the Foothill League Championship on the basis of an impressive 5-2 non-league record. However, after knocking off Muir in the opening league game, the Varsity was set back by Glendale. Paul Raine's squad bounced back against Pasadena only to be upset by Hoover in the following game. The Varsity record, when we went to press, was 5-2 and we were only two games out of first place. With such hitting stars as catcher Mike White, left fielder Tommy Bronson, and first base sensation Alex Drever, the Varsity seems destined to finish among the top three teams. On the mound, Jim Smallwood, a Junior, has proved to be a valuable asset, and Ron Shackelford, also a Junior, proved that his impressive record on the Junior Varsity (5-0) was no dream. Filling out the mound chore is Senior Dan Fahey, one of the hardest throwing pitchers in the Foothill League. Dan has consistently struck out batter after batter in his pitching performances.

Mike White, rated as one of the best receivers in the valley, is beginning his third year as Varsity catcher. His powerful bat and his defensive skills won him honor as an all league catcher when he was a sophomore.

Tom Bronson prepares to drive the ball to deep center. Tom has been a consistent and valuable player for our Varsity this year.

Mr. Paul Raine moved into the position of Varsity Baseball Coach this year. He is on the edge of the game and constant to win are the coach's and the players' best interests.

Our Junior Varsity Baseball Team consisted of mostly Sophomores with a few Juniors. They are listed as follows:  
**BOTTOM ROW:** Rick Mason, Brent Carruth, Ken Schutt, Terry Hirsch, Dave Arnold, Dan Knobler, Allen Davis

**TOP ROW:** Manager, Bud Ewing, Russel Winne, Skip Deane, Don C. Hiss, Ken Schutt, Don Lutz, Ed Larzelere, Ron Casey, Mr. Canfield

## JUNIOR VARSITY BASEBALL

The Junior Varsity squad gave JB baseball a bright outlook for the future. Mr. Canfield has a lot of promising stars for the future Varsity in Ken Schutt, hard throwing center-fielder; Rick Mason, fine defensive catcher; Al Davis, a good pitcher; Terry Hirsch, a second baseman; and Barry Nelson, a Sophomore, who in his first pitching performance threw a two hitter and shut out Hoover 4-0. The team's league record is 2-2, and they are only one game out of first place.

Practice is an essential part of any team. Our Junior Varsity spent many hours learning baseball strategy.

Hitting is important on any baseball team. Junior, Carl Stonecipher, practices swinging while waiting his turn at bat.

Mr. Kale Canfield is beginning his second year as Junior Varsity coach. Stressing hustle and desire, Mr. Canfield hopes to mold a strong varsity for the years ahead.

Our splashy swim team is shown here from left to right, Bruce Van Hise, Bob Zuck, Ed Crum, Sam Lee, Ted Tintorri, Steve Clegg, Stan Conner, Walter Ogden, Gary Linfers, Dave Crockett, Bob Massey, Dale King, Tom Echart, Denny Moore, Bob Perry, Al Kiskinen, Jerry Haddock, Jim Castill, Bill Mitchell, Cleo Ramsey, Gary Wayne, Tom Leath, Ed Deschamps, Ed Price, Al Conits, Jim Wall, Bill Lyle, Mike Cooper, Bill Cooke, Jeff Byars, Ron Stroda, Bill Riddie.

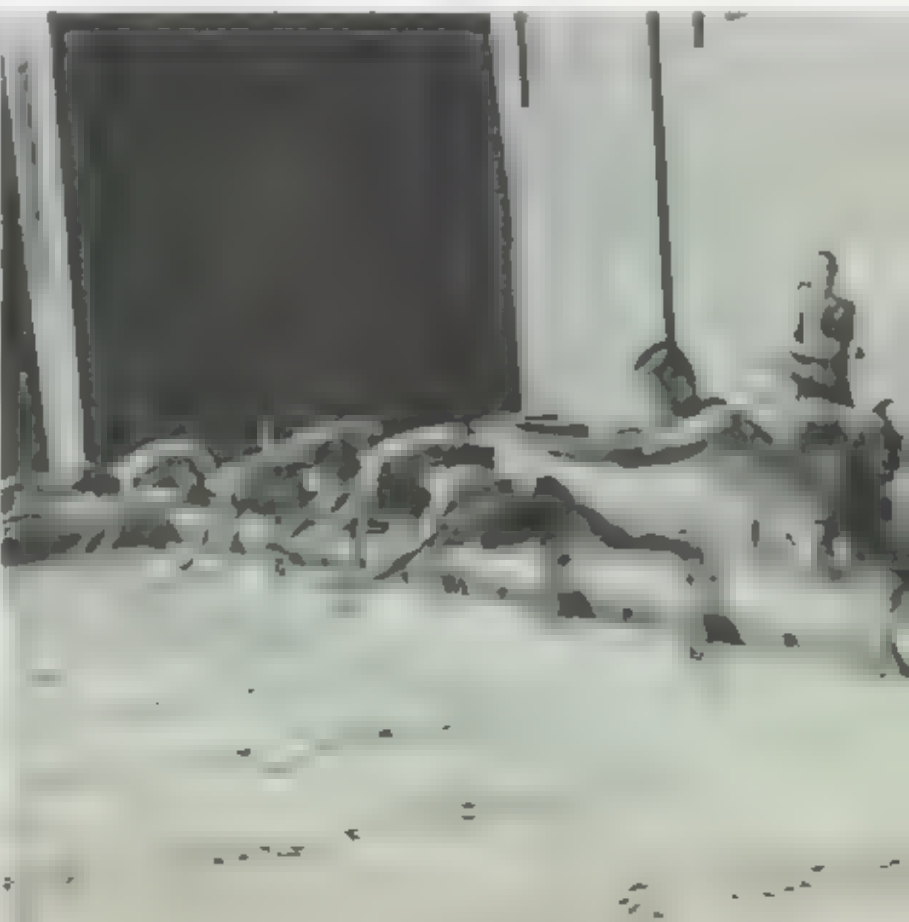

# SWIMMING

Mr. Bob Duvall was the swim coach. He coached the team very well and the team did very well.

Some of the members of the swim team are shown during practice. Afternoon practices of this type help the boys to increase their ability.

## GOLF

Over the years JB seems always to have a fine Golf Team. This year is certainly no exception. It is a sure bet that there are no duffers, except maybe Mr. Voss. Top players on this year's squad were George McDonald and Carlos Horton.

## TENNIS

This year's Tennis team had the kind of season a person would call spotty. They had all the desire and drive that could be attained. They had their share of losses, but at the same time the team scored many victories.

Here is our fine Tennis Coach Mr. Jack Drager who has done an other outstanding job for our tennis team.

Pictured here is the Tennis Team. They are, left to right: Steve Mayer, Don Gargano, Robin Garthwaite, Mike Gavett, John Boetjer, Dennis Hickerser, Doug Mann, Earl Ellis. # CRAFTSMEN

**D**URING the Middle Ages, life consisted of more than just tournaments, feasts, and crusades. Beside the serfs, knights, and royalty, there were the working classes who had the responsibility of performing certain very essential duties during that period. These hard-working people provided such invaluable services as castle-sweeping, moat-digging, and armor-welding. Without them and their notable influences, the improvements and advances which were made would not have been possible.

The master craftsmen of each trade passed their knowledge and skill down to the lowly junior apprentices who eventually, through hard work and diligent study, became craftsmen themselves.

At Burroughs, we too have master craftsmen who pass their knowledge along to the younger generation of workers. In the many working classes, the students gain the necessary skills and training which enable them to assume their positions in the outside world.

# WORKING CLASSES

Special units that are taught in the Commercial Art classes are lettering, display, design and advertising. Under the leadership of Mrs. Manzon, this class is designed to enable the student to work in the varied phases of commercial art.

Students in the Ceramics class become familiar with the fundamental methods of pottery making. More advanced students are allowed to work on special projects where creative design is encouraged.

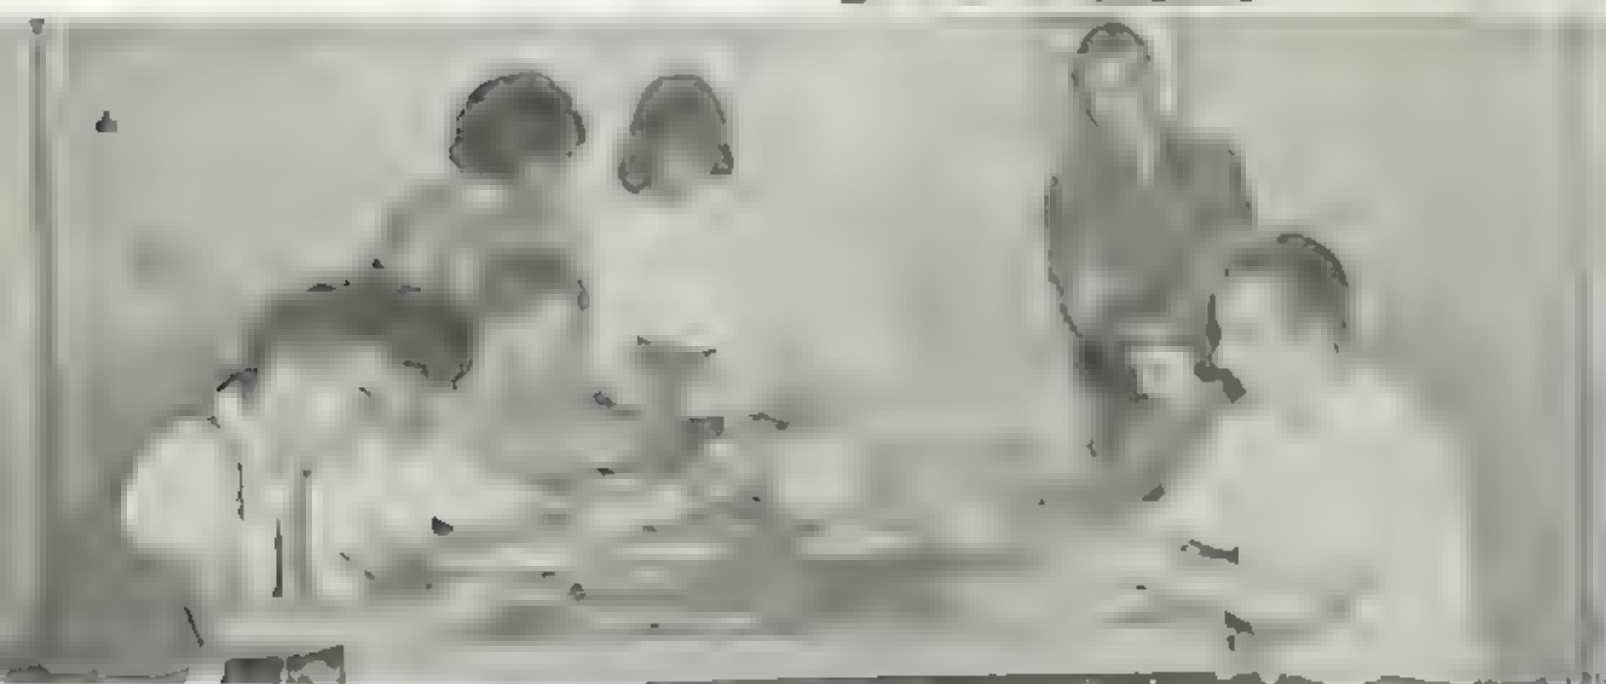

## ART

The principles of color theory, figure drawing and perspective are experienced by the students in the Art Structure classes. This class is an introduction to the language of art, the use and care of materials.

The industrious yearbook staff is charged with the responsibility of planning, selling, and distributing the Akela. Through many hours of diligent work they strive toward the goal of the finished product — your yearbook. Pictured at the table are some of the Akela Staff members.

## SMOKE SIGNAL

The Smoke Signal, our school newspaper, is a result of the combined efforts of some of our finest journalists. Its bi-weekly publication is eagerly awaited by the student body. Here Linda Turk, efficient Editor-in-Chief, is being assisted by Sports Editor, Steve Mayer.

Woodshop is a class designed to teach the fundamentals of hand and machine tools in the wood industries. Each student plans and builds various projects in wood

In our well equipped Auto Shop, students gain a working knowledge of automobiles and their operation. This is a popular elective for students who want to develop auto "know-how"

The Print Shop student is instructed in the use of the tools and equipment of printing. When the student becomes more familiar with print shop skills, he is given the opportunity to work on more advanced projects.

Our fine photo staff, under the guidance of Mr. Hroscikoski, supplies the photographs for the school publications. The members of this class study the methods used in taking and developing photographs

One of the projects in Architectural Drafting is a set of plans and a model for a single story home that would pass the requirements of the City Building Code. Many of these models are entered in the Ford National Contest held in Dearborn, Michigan

## INDUSTRIAL ARTS

The curriculum of first year Metal Shop covers the following operations: forging, casting, lathe work, and basic arc-welding. Special projects of wrought iron furniture and art metal are also included in this course

Beginning Clothing is planned for the student who is eager to learn the fundamentals of sewing while working on a garment of her own choosing. Study of fabrics and wardrobe selection are a part of the work. Advanced Clothing develops advanced sewing techniques, styling and selection of wardrobe accessories. A spring fashion show offers opportunity to display the work done.

In Foods we study the techniques of simple food preparation in relation to meal planning, the selection and buying of food, and the preparation of interesting and unusual dishes which can be used by the student now as well as in the future. In Advanced Foods we have more elaborate types of meal preparation, foreign cookery, party, tea and large dinner plans and preparation.

## HOME ECONOMICS

Clerical Office Practice is a highly selective group, choosing its members from talented students of previous secretarial classes. Traits and skills essential to an efficient secretary are stressed in this class.

Beginning typing is a prerequisite for business students and a valuable aid to any student in his classwork. Personal and business typing problems are presented to the students in their assignments.

## BUSINESS EDUCATION

Geometry, the mathematics that investigates the relations and properties of solids, surfaces, lines and angles, is included in our college preparatory course. Here, Mr. William's class is solving a complicated problem.

For those students who desire to delve into the mysteries of higher mathematics, trigonometry is offered. This is a basic course for navigation, engineering, architecture, tool design, and for highly skilled machinists.

In Chemistry, forty per cent of class time is engaged in individual laboratory experiments. Our well planned and well-equipped laboratory allows students to solve many problems by research.

## MATHEMATICS SCIENCE

Biology, the study of living things, attracts many of our students of science. Here, some members of Mr. Ricketts' class observe microscopic life while others are preparing slides for examination.

Spanish I is an introductory course which includes not only fundamental Spanish grammar but conversational and cultural material as well. The advanced student has a greater opportunity to use the language in skits, plays and or us.

The objectives in the French class are to learn to read, to understand the language as it is spoken, to express oneself in a foreign tongue, and to write with clarity and correctness.

## LANGUAGE ARTS

The study of Latin helps the student to build a larger vocabulary and to arrive at a closer understanding of the grammatical principles which underlie our own language.

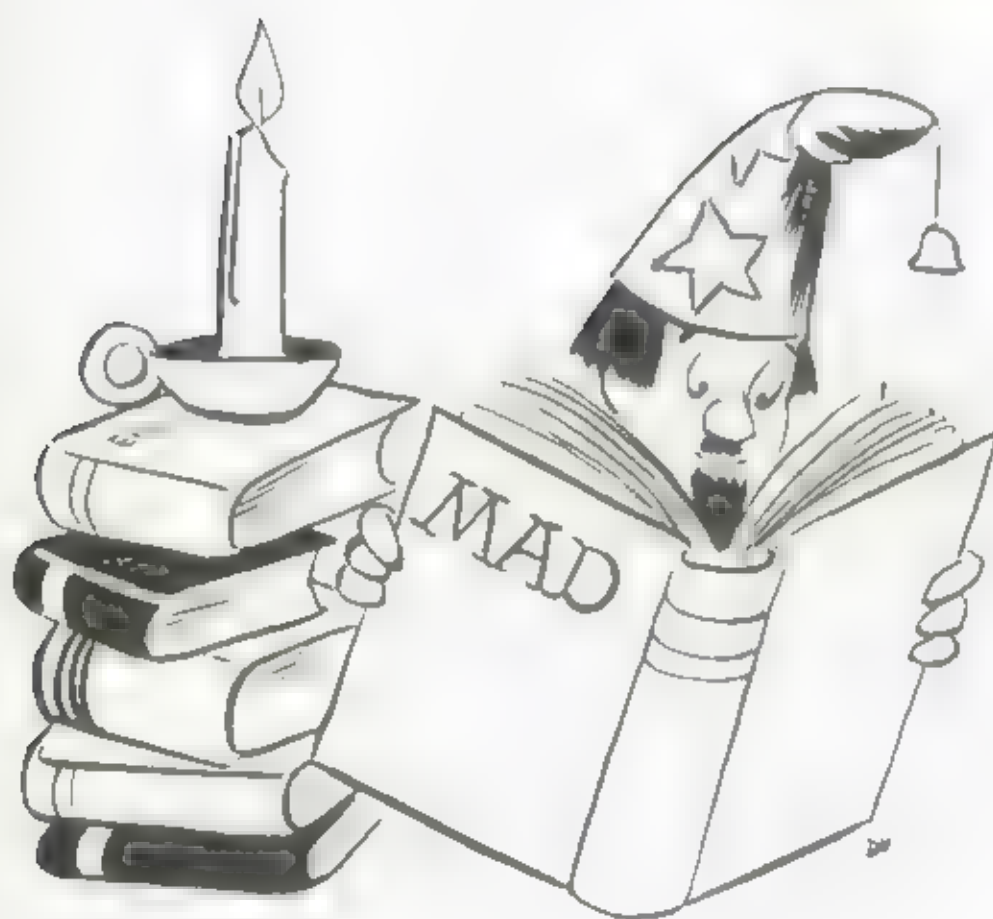

At the conclusion of the English courses, a student should have knowledge of and appreciation for the literary development of his country in its salient aspects, and he should be able to express himself in language that shows growing discrimination with an adequate grasp of technical correctness.

Senior Problems is designed to help the senior meet the problems he will face upon completion of his high school education. The course is also designed to help in preparing the students for a vocation or college.

The function and care of the human body is studied in Health and Safety. The later part of the course is concerned with first aid, fire safety and driver education.

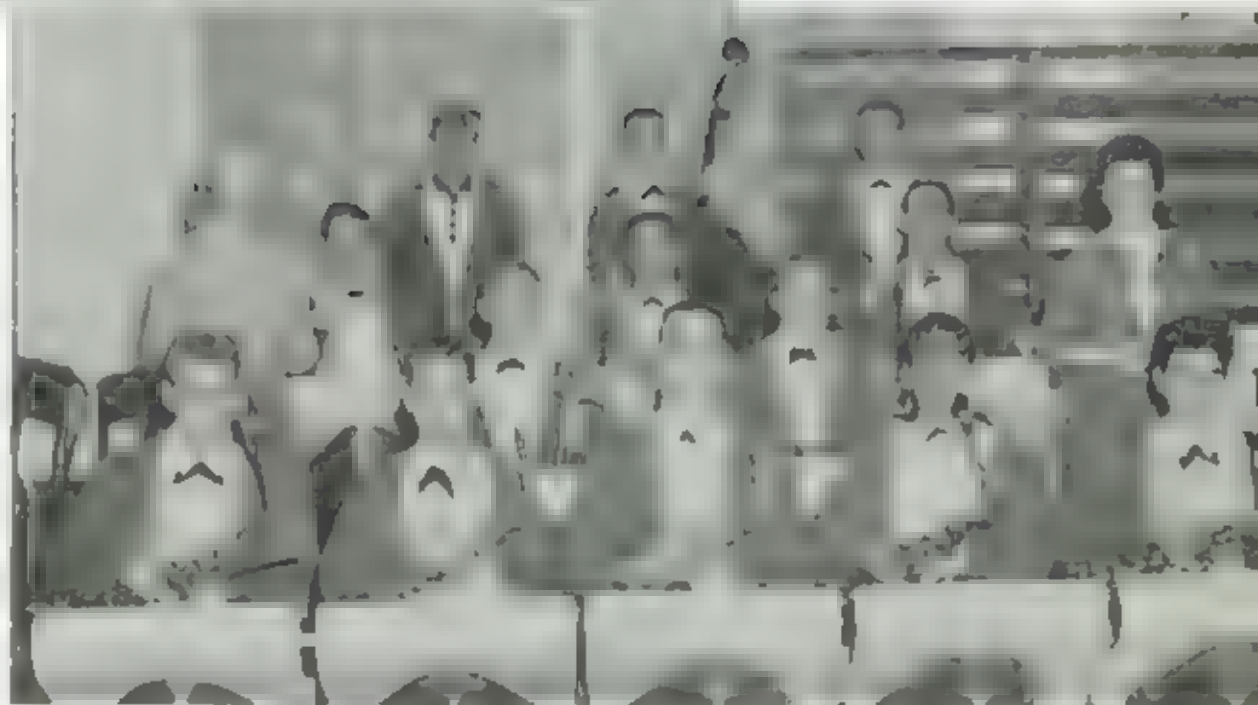

## SOCIAL SCIENCE

The United States History course is designed to familiarize the student with the historical development, traditions, and ideals of our country. A study of the Constitution and our Federal government is part of this course.

# GUILDS

**I**N Medieval times men formed organizations just as we do today. These organizations were known as guilds. The best-known guilds and societies were formed by merchants and workmen, but there were more. There were also military, religious, and social guilds.

The social guilds were groups of knights and ladies who gathered together for the purpose of entertainment. Many times the aristocratic knights and their ladies went to see a miracle play, one of the earlier forms of drama. Other favorite pastimes were court banquets, held in fine castles of wealthy Dukes, and tournaments of jousting, which took place near the castles.

The "social guilds" here at John Burroughs are our clubs. In the past, these clubs have done a fine job in providing interesting and exciting programs for all who participated.

# CLUBS

## THESPIANS

The California Scholarship Federation was founded on the basis of scholastic ability. The right of membership is limited to those students who maintain at least three A's and one B on their progress reports for one semester in academic subjects as well as the basic subjects required by our school for graduation. Because of the high membership requirements, special privileges are granted California Scholarship Federation members. Permanent library passes and a Field Day, which is held on a regular school day, are the rights of the members. Last year the members went to Marineland and this year they enjoyed a trip to Disneyland.

Pictured at the right are the CSF officers. They are: Babs Allman, President; Larry Bulach, Vice President, and Janet Bean, Treasurer

Founded in 1900 the John Burroughs Honor Society had a membership of twenty-nine scholarly students. Today the membership is over one hundred fifty.

Instrumental in founding the Honor Society at Burroughs were Mrs. Sally Beaton and Mr. Crawford, our new registrar, who returned to Burroughs after serving on the faculty of Burbank High School for a few years.

The purpose of the club is to recognize the outstanding students who excel in their work in their classes.

Membership in the club is confined to those students who maintain a B grade average and at least a C in Physical Education.

## HONOR SOCIETY

Shown at the left are the four advisors of the Honor Society. As busy as they've been throughout this past year they have never been too busy to lend a helping hand or spare the time to give a student some friendly advice. **STANDING** is Miss Jean Ewing, who has charge of the annual field trip the members of the Honor Society take jointly with the California Scholarship Federation. **SEATED** are: Mrs. Blanche Taylor, who has charge of reviewing the constitution of the Honor Society if necessary; Mrs. Sally Beaton, who has charge of all the records of the club and its members; and Mrs. Irene Chissey, who handles the Spring and Fall elections with the help of the Honor Society members.

# KNIGHT LIFE

THE lives of the medieval peoples were enlivened by a large number of colorful and exciting activities. The nobles and knights gathered in the royal halls and were entertained by troubadours and minstrels. In these halls, the Knight Life featured lavish banquets on occasions which were especially important.

However, the serfs were able to participate in various activities also. Jousting tournaments and other contests of skill were performed by courageous knights. These thrilling spectacles were viewed by all.

In a similar manner, Burroughs provides enjoyable and exciting functions for its students. These events create our fine school spirit and help to make our sojourn at John Burroughs a memorable experience, which we will cherish throughout our lives.

# ACTIVITIES

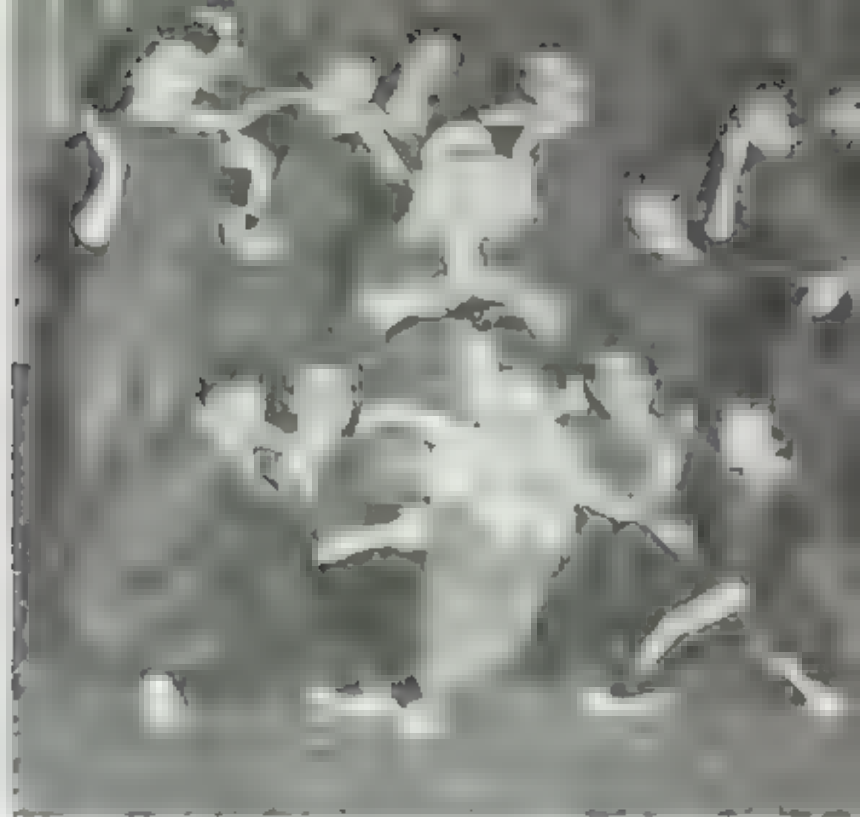

# ACTIVITIES

The different phases of decorating the field for football games were performed by the P. S. students. Many years of this organization have resulted in their making a great effort to do a fine job. The General who set work and the compliments were really appreciated and the men have enjoyed the opportunity to meet together and serve their school.

One of the highlights of the Christmas holidays was the singing of carols and the singing of the Adoration, Dance, and Dance, and the singing of the carols. The students were very happy and the singing of the carols was very beautiful. The students were very happy and the singing of the carols was very beautiful. The students were very happy and the singing of the carols was very beautiful.

Some of the most colorful and exciting events of the year were the football games played at the school field. The football spirit was always at its height both at the games and in the hours before which were filled with students singing and shouting in support of the home's victories. Such was the case at the home's victory over the team from the band at the end of the year and very successful football game. The exuberant cheers of the students and the cheering of the home slowed the game they have for their school and their team.

The annual rally which preceded the Burroughs Burbank football game last year was one of the most entertaining events of the school year. This rally was unique among all previous rallies. Besides showing their skill on the football field, the members of the team were able to display their "unheralded physical beauty" also. The stunt brought many laughs and was a lot of fun for spectators and players alike.

## BURBANK RALLY

Another laughable part of the rally was an all star football team composed of Burroughs' most athletic instructors. As the teachers galloped from underneath the bleachers and out onto the field, the students roared with laughter. This rally was certainly one of the most enjoyable of the many fine rallies that Burroughs has had.

The Burroughs Burbank game climaxed this day of excitement and school spirit. Presiding over the game and festivities were the football queen, Julie Mueller (center), and her princesses, Pam Bennett (left) and Judy Belger (right). These lovely representatives of John Burroughs were chosen by the members of the football team. However judging from the applause given the queen and princesses as they drove by the bleachers at the game, this choice was backed unanimously by the entire student body.

One of the first events of the year was the annual Football Pow wow held in the boys' gym. At this activity the team's possibilities were discussed and evaluated, and students were given a preview of this year's fine Indian football team. Following this part of the program there was a delicious hamburger fry which applied the finishing touch to a most enjoyable evening.

## ACTIVITIES

An essential part of Burroughs campus life is the election of student body and class officers. In this function, students are taught the importance of voting and of taking part in group organization. A great deal of experience is obtained by those students who choose to run for offices. The campaigns, as well as the duties which students perform when elected, are a great deal of fun and give valuable experience. Shown here are some of the candidates for the spring semester. Standing, from left to right, are Cap Wallington, Bob Rigg, Denny Moore, Ken Kleinberg, John Bates, and Jim Derrick, seated are Helen Adams (left) and Carla Vaccariello (right).

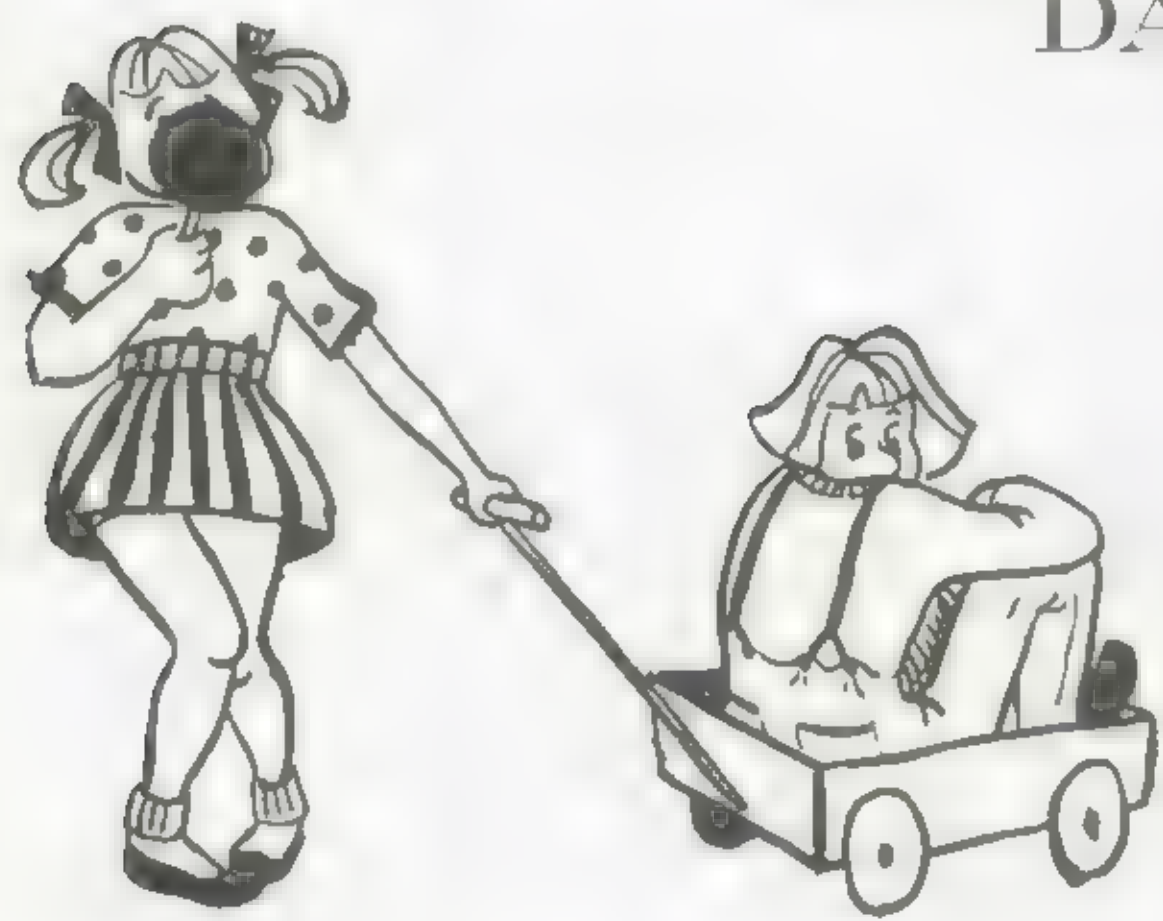

This year the Senior class began what is hoped to become a traditional project — the Senior Car Wash. This activity was extremely successful and worthwhile. A large sum of money was earned for the Senior treasury; and the car wash was a lot of fun for all the Seniors who joined in and made the project such a big success.

A welcome break in the usual routine of studies at Burroughs was Backwards Day, sponsored by the Girls' League. During this unique relief from tests and worries, the student body donned their loudest and craziest clothes for a day of suckers, fun, and oddities. The day was climaxed by the Backwards Dance, to which the girls asked boys. This turn-about was another enjoyable change from the common routine. Shown here are some of the students who joined in the fun and excitement of Backwards Day.

# BACKWARDS DAY

Two of the most enjoyable events of the year were the Senior I basketball and softball games. These activities annually provide students and teachers with fast, furious and fun filled action. This year the faculty trounced an inferior senior team by the score of 55 to 38. Coach Dunivant is pictured here being the tipoff.

A new activity this year was the "Music Music Music" performance. Participants in this activity were the speech and dramatic music departments. The Fine Arts Production is intended to give better recognition and interest in these vocal and instrumental departments. The speech, drama, and dance divisions performed skits, songs, plays and musical shows, while the music was provided by our instrumental music students.

The Indian victory in the Burbank softball game this year was a result of the combined efforts of many individuals. Two of the most vital figures in this victory were Coach Fred Thomas and Mrs. Edna Shearer, one of the Pep Council advisers. Coach Thomas' expert and inspiring coaching resulted in the fine play of the team. Mrs. Shearer's enthusiastic work in promoting better spirit in the rooters was an essential part of the victory.

Last year's football season was given a fitting climax by the annual Football Banquet. The football team's fine record and accomplishments were reviewed, and our many outstanding players received awards. The evening proved the banquet a fine success and everyone present enjoyed the food and program. Shown below was the main speaker of the evening, Dick Dugan, former of the Los Angeles Rams. Also shown below is Coach Shortenberry.

## FOOTBALL BANQUET

The Senior Concert Choir has achieved much recognition during its existence at John Burroughs. Its performances are always popular among students and adults alike. Pictured here are some of the participants in "Annie Laurie," a short operetta depicting the life of Scottish poet, Robert Burns. Other numbers of this "Music of the Theater" performance included songs from "Bells Are Ringing" and the "Flower Drum Song."

The Latin classes once again held their annual Roman Banquet on the 15th of March this year. The banquet included such features as Roman skits, food, and customs. Latin students enjoyed acting out Roman customs and derived much enjoyment from the skits portraying their Roman customs. Over the year, the winners were King Larry, Queen Bulach and Queen Babs "Circe" Allman.

## LATIN BANQUET

One of the most enjoyable activities sponsored by the Boys' Council this year was the Shamrock Hop on St. Patrick's Day. This colorful dance was featured with Irish decorations, dances, and refreshments. The dance was thoroughly enjoyed by all the students who attended and had a great deal of fun kissing the famous Blarney Stone.

Pictured here are the Operetta's three fine directors. Standing are Mr. Martin (left) and Mr. Carpenter; Mr. Rose, shown rehearsing the orchestra, is in the foreground

## OPERETTA

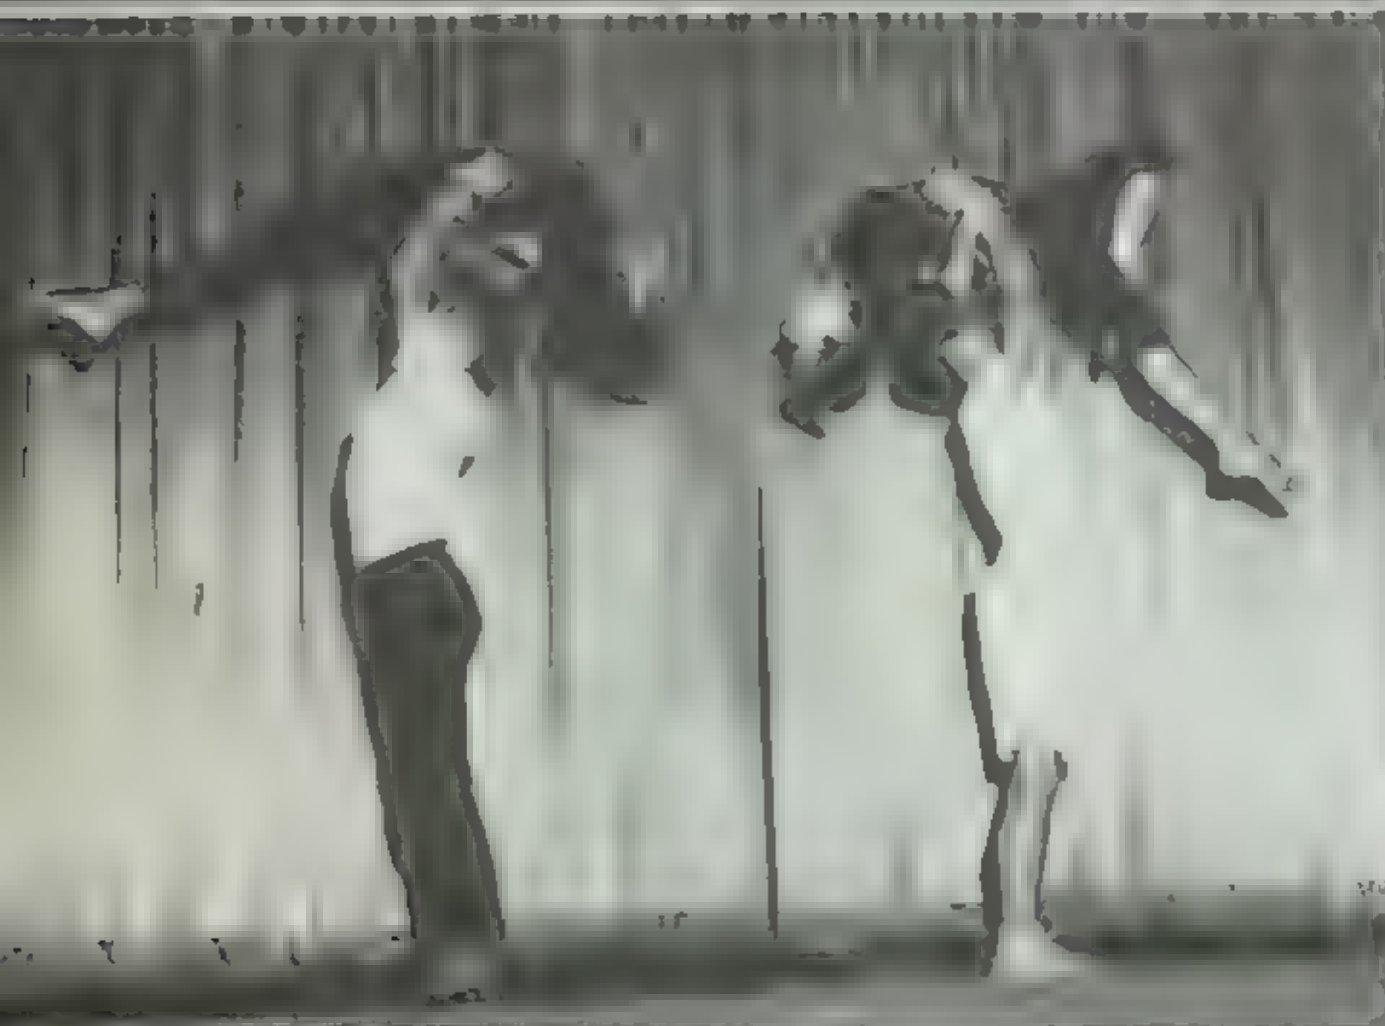

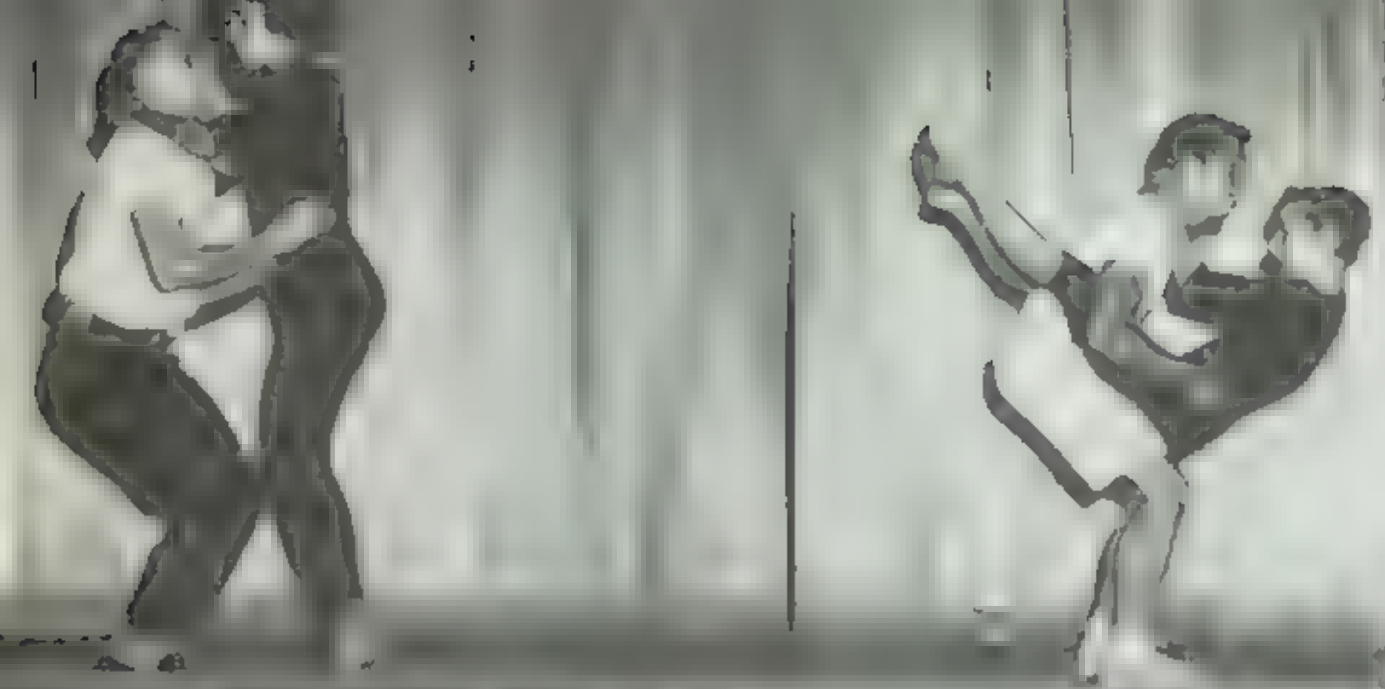

The Operetta's talented dance chorus is shown practicing one of their fine numbers

The best and most spectacular performance of the music department this year was the Operetta, which was presented in May. This year the finest vocal music students, dance class members, and the John Burroughs orchestra presented the Broadway musical, "Call Me Madam." The tradition of this play was continued with the excellent success of the Operetta this year. "Call Me Madam" is based on the life of Perle Mesta, a famous Washington hostess during the nineteen-forties.

Several members of the Operetta welcome a needed break during their rigorous practice schedule for "Call Me Madam"

From left to right, Jack Maslow, Sandy Minasian, Larry Sobel, and Linda Dubell rehearse for one of their colorful routines.

The teachers in charge of the Operetta must certainly be commended for the diligent work and effort they devoted. These advisors played the most important role in this semester-long production. The Operetta could never have been a success without Mr. Carpenter's expert direction. He did an excellent job in the organization and administration of the Operetta. Mr. Martin's fine instruction and direction of the vocal music division resulted in the high quality music that was heard. Mr. Rose, with his talented musicians and excellent direction, contributed a vital part to this musical performance. Mr. Hastings was responsible for the smooth operation of the stage crew. Miss Lehds and the talented members of her dance class did a fine job in performing the colorful routines we saw in "Call Me Madam." Miss Arnerich was in charge of the lavish costuming, another aspect of this Operetta performance.

## OPERETTA

Donna DiMartino and Butch Turner rehearse for their important roles in the Operetta.

Sherry Snow is shown rehearsing for her lead role as Sally Adams in "Call Me Madam", while several members of the Operetta look on

## OPERETTA

The participants in the Operetta—the musicians, singers, and dancers—cannot be given enough credit for the superb performance they gave in "Call Me Madam." Sally Adams was expertly portrayed by Sherry Snow, and Jerry Osterholt enacted the part of Cosmo Webb Ford and Donna DiMartino played the roles of Kenneth and Princess Maria, respectively. The remaining roles were perfectly filled by other members of the chorus. The choir members, the members of the dance class, our orchestra, and the Operetta's highly-skilled directors, performed a truly magnificent job in "Call Me Madam."

Mr. Hastings' fine work with the stage management was an essential part in the success of "Call Me Madam"

The Operetta's able production crew consisted of Kent Kinsala, Mike Surwill, Barbara Kramer, and Dick Stewart

# ACKNOWLEDGEMENTS

"Copy! Copy! Get your copy in!" The preceding little quotation is just one of a number of familiar chants that were uttered by our illustrious advisor, Mr. Conley McLaughlin. I sincerely want to thank Mr. McLaughlin for his patient and understanding help in the production of this annual. Without his talent for organization, our Akela would never have come out on time. Thank you again!

Innumerable thanks go to Carla Vaccariello and Sally Estabrooks for the fantastic job they did on the Senior Section. They deserve much credit for doing such a good job in this difficult part of the Akela.

Another big thank you goes to Ken Kleinburg, Steve Eastmond, Carolyn Martin, Janet Bean, Dona Dickson, Joan Shipley, Jackie Baldwin, Ralph Smouse, John Bates, and Darlene Pittman, who did a most excellent job on their respective sections, as well as the layouts for next year's book.

I know that all the staff will agree with me in saying that an immense amount of effort was put into the book by Judy Bloch. If it weren't for Judy, we probably wouldn't have any layouts in the Akela.

Many thanks go to Sharon Kazdan. Kaz did a great job as Girls' Sports Editor and as a Secretary.

A yell of appreciation goes to Tom Fortmann and Bob Rigg, who did a swell job on the first half of our Sports Section, and to Dick Lewis, who did a great job finishing that section.

Thank you to Mr. Hroschikoski and all the Press Photo staff, who worked day and night getting our pictures ready. Also, many thanks to all the faculty that helped us in preparing this year's Akela. Mr. Rose

and Mrs. France patiently proofread all our copy, and I can't thank them enough. Gratitude to Mr. and Mrs. Packard who gave us some professional pictures to put in the Akela.

Dale King and Cathy Capps did a wonderful job on the Art Section of our book. Dale's cartoons were outstanding, it's too bad some of them couldn't go in the book. Cathy not only did a great job as Art Editor but also did a wonderful job with Mr. Hroschikoski's bookkeeping. Besides being a great help to press photo, she was a great asset to the Akela Staff.

It is now my privilege as Editor-in-Chief of the Akela to present to you, the student body, the fruit of a year's work, our 1959-60 AKELA.
